Assaulting The Gates Aiming All Gods People At The Mission Field:

Assaulting the Gates Rev. Paul D. Borden, 2011-12-01 Learn the Big Picture approach that will aim your congregation at the mission field in your back yard or around the world Many churches want to make the transition from an inward to an outward focus from catering to the needs of members to reaching out into the world to make disciples of Jesus Christ Too often they try to accomplish this radical change by taking half steps and partial measures initiating a new program here or adding a new staff members there Yet this kind of change requires more To succeed in changing its core focus this way a congregation must learn strategic thinking it must commit itself to seeing the big picture and to taking the steps necessary to paint that picture afresh Everyone including pastors lay leaders key teams and groups and the congregation as a whole must be involved in a process of transformation Paul D Borden author of Hit the Bullseye and Direct Hit knows that this transformation will not be easy But if the target is bringing more people into saving relationship with Jesus Christ what could be more worthwhile

There's Hope for Your Church Gary L. McIntosh, 2012-05-01 A startling 85% of churches in the US are plateaued or declining a trend that has been building for the past fifty years In the face of shrinking attendance and lagging spiritual growth pastors and church leaders are understandably discouraged and demoralized But the first step to turning things around is hope Church health expert Gary McIntosh offers this hope by showing church leaders the first things they need to do to make a new start for their church God can and does restore churches to new life even as he restores individuals The street smart ideas and step by step instructions found in this book are ones that pastors and church leaders can put to use immediately in their churches to bring about solid growth and renewed hope for the future *Pastor: Revised Edition* Bishop William H. Willimon, 2016-02-16 Ordained ministry says Will Willimon is a gift of God to the church but that doesn't mean that it is easy Always a difficult vocation changes in society and the church in recent years have made the ordained life all the more complex and challenging Is the pastor primarily a preacher a professional caregiver an administrator Given the call of all Christians to be ministers to the world what is the distinctive ministry of the ordained When does one's ministry take on the character of prophet and when does it become that of priest What are the special ethical obligations and disciplines of the ordained Pastor Revised Edition explores these and other central questions about the vocation of ordained ministry It begins with a discussion of who pastors are asking about the theological underpinnings of ordained ministry and then moves on to what pastors do looking at the distinctive roles the pastor must fulfill The book also draws on great teachers of the Christian tradition to demonstrate that while much about Christian ministry has changed its core concerns preaching the word the care of souls the sacramental life of congregations remains the same Ordained ministry is a vocation to which we are called not a profession that we choose To answer that call is to open oneself to heartache and sometimes hardship yet given the one who calls it is to make oneself available to deep and profound joy as well

Renovate Or Die Bob Farr, Kay Kotan, 2011 Bob Farr asserts that to change the world we must first change the

Church Rearranging the pews painting the fellowship hall or paving the parking lot are just not enough With clear language and practical tips this book will inspire and help you organize your church for new life Learn how to grow your church and discover the commitments that leaders must make to guarantee the fruitfulness of local congregations Book Jacket
