Ashe Vs Connors Wimbledon 1975 Tennis That Went Beyond Centre Court:

Ashe vs Connors Peter Bodo,2015-05-28 Early in July of 2015 tennis will celebrate the 40th anniversary of what might be the greatest upset in the annals of tennis There have been other key matches in which the disparity between the favourite and the victorious underdog may have been more pronounced by standards of the sport But none has been more resonant or flush with meaning and contrasts For this was not just a contest between a mercurial seemingly unstoppable prodigy and an undemonstrative veteran it also embodied a clash of values in a rapidly changing world and in the sport itself This is the story of two tennis greats lives from the local park courts of their boyhood to the summer of 1975 an this most resonant of Wimbledon finals which Ashe won to become the first black male Champion However like the best sports books written this is much more than a just a story about one match but a metaphor for a changing world the end of an era and a last triumph for the passing guard

A History of American Sports in 100 Objects Cait Murphy,2016-10-11 Beautifully designed and carefully curated a fascinating collection of the things that shaped the way we live and play in America What artifact best captures the spirit of American sports The bat Babe Ruth used to hit his allegedly called shot or the ball on which Pete Rose wrote I m sorry I bet on baseball Could it be Lance Armstrong s red white and blue bike now tarnished by doping and hubris Or perhaps its ancestor the nineteenth century safety bicycle that opened an avenue of previously unknown freedom to women The jerseys of rivals Larry Bird and Magic Johnson Or the handball that Abraham Lincoln threw against a wall as he waited for news of his presidential nomination From nearly forgotten heroes like Tad Lucas rodeo and Tommy Kono weightlifting to celebrities like Amelia Earhart Muhammad Ali and Michael Phelps Cait Murphy tells the stories of the people events and things that have forged the epic of American sports in both its splendor and its squalor Stories of heroism and triumph rub up against tales of discrimination and cheating These objects tell much more than just stories about great games they tell the story of the nation Eye opening and exuberant A History of American Sports in 100 Objects shows how the games Americans play are woven into the gloriously infuriating fabric of America itself
