Elephant's Kitchen - An Aspergirl's Study in Difference Stephanie C. Fox, 2012-05-22 Elephant's Kitchen An Aspergirl's Study in Difference is about a quiet teenage girl named Delphine who has Asperger's but just as with the television shows *Bones* and *The Big Bang Theory* the condition is never mentioned Instead the story walks the reader through many of the markers of the condition The story also addresses the misery associated with poverty when it comes face to face with the haves of society and their obliviousness and callousness towards those who are struggling to survive Viewed by a teenage girl who volunteers at a church's charity kitchen it highlights the damage that such insensitivity can inflict upon the very people that such institutions claim to benefit This is just part of the backdrop of the story Delphine also attends a private school plays the violin acts in a play and deals with bullies She is quiet stealthy and effective in her own way This story was written to inspire teens with Asperger's to show them that there is nothing wrong or bad about them and to celebrate rather than condemn difference

Off-White Sheng-mei Ma, 2019-11-14 How do English speaking novelists and filmmakers tell stories of China from a Chinese perspective How do they keep up appearances of pseudo Sino immanence while ventriloquizing solely in the English language Anglo writers and their readers join in this century old game of impersonating and dubbing Chinese Throughout this wish fulfillment writers lean on grammatical and conceptual frameworks of their mother tongue to represent an alien land and its yellowface aliens Off white or yellowish characters and their foreign sounding speech are thus performed in Anglo American fiction and visual culture both yellowface and Chinglish are of for by the white people Off White interrogates seminal Anglo American fiction and film on off white bodies and voices It commences with one Nobel laureate Pearl Buck and ends with another Kazuo Ishiguro almost a century later The trajectory in between illustrates that the detective and mystery genres continue unabated their stock yellowface characters who exude a magnetic field so powerful as to pull in Japanese anime This universal drive to fashion a foil is ingrained in any will to power so much

so that even millennial China creates an off yellow darker hued Orient in Huallywood films to silhouette its global ascent
