Assembled Gospel Lord Jesus Christ:

The Assembled Gospel Ariel Federico Garcia, 2015-12-16 This book presents the story of Jesus combining all four gospels into one story The events are presented in chronological order The book starts with an introduction explaining from God's own word the two types of evidence that prove the Bible and no other book is the word of God The gospel story comes with great insights from the Bible itself into prophecies that were fulfilled and key doctrines or concepts that should be understood by every Christian The book ends with 14 Appendices explaining from the Scriptures some of those doctrines Salvation Sabbath Kingdom of God Trinity Self Righteousness Tithing Rapture and others All Bible quotations are from the King James Version of the Bible carefully modified by the author to reflect modern English The feature that makes this book unique is that the individual verses were carefully merged together with each reference included The specific book chapter verse reference brings confidence to readers and allows for easy verification After assembling the story from the four gospels in English the author took the Spanish version of Reina Valera Gomez and assembled it in Spanish He then compared the results of the two efforts English and Spanish and that helped identify a few areas that needed improvement that otherwise could not be detected through normal editing efforts As a result the author is extremely confident in the work presented in this book You can read the Bible to figure out what the four gospels say about Joseph of Arimathea or you could read the Assembled Gospel and get it all together See it from the Assembled Gospel's perspective Mat 27 57 58 Mark 15 42 45 Luke 23 50 52 John 19 38 And now when the afternoon arrived there came a rich man of Arimathea a city of the Jews named Joseph and he was a good and just man an honorable counselor who also himself waited for the kingdom of God He had not consented to the advice and actions of them being a disciple of Jesus but secretly for fear of the Jews Because it was the preparation that is the day before the Sabbath he came and went in boldly to Pilate and begged Pilate if he could take away the body of Jesus And Pilate wondered if he was already dead and calling to him the centurion he asked him whether he had been dead a while And when he knew it of the centurion then Pilate commanded the body to be delivered to Joseph He came therefore and took the body of Jesus For more information contact the author at ariel federico garcia author gmail com
