ON WAR & MILITARY SERVICE

PHILLIP WYNN

Augustine On War And Military Service

Frederick H. Russell

Augustine On War And Military Service:

Augustine on War and Military Service Phillip Wynn,2013-11-01 Did our modern understanding of just war originate with Augustine In this sweeping reevaluation of the evidence Phillip Wynn uncovers a nuanced story of Augustine s thoughts on war and military service and gives us a more complete and complex picture of this important topic Deeply rooted in the development of Christian thought this reengagement with Augustine is essential reading **St. Augustine and the Theory of Just War**

John Mark Mattox,2006-09-01 The decline of the Roman Empire gave rise to two problems which combined to form one of the most perplexing philosophical questions of late antiquity On the one hand Rome found itself under constant military threat as various tribes from the north and east encroached along its borders to fill the power vacuum left by the receding Empire On the other hand adherents to the Empire s new official faith Christianity found themselves without clear guidance as to what military roles their faith would permit the death of the apostles left them without revelatory guidance and the New Testament writings were not definitive on the subject The question then became Can a Christian answer the empire s call to military duty and still answer a clear conscience before God Fifth century philosopher St Augustine of Hippo sought to provide a solution to the two problems His approach formed the foundation of the just war tradition which has had enormous influence upon moral philosophical thought on military issues in the West ever since This major new study identifies the fundamental Augustinian premises and evaluates them in light of historical neo Platonic and Christian contexts It also identifies the effect of the Augustinian legacy upon medieval and modern philosophical reflections on the nature of warfare and on how war might be waged justly and morally *Plague and Music in the Renaissance* Remi Chiu,2017-06-15

Plague a devastating and recurring affliction throughout the Renaissance had a major impact on European life Not only was pestilence a biological problem but it was also read as a symptom of spiritual degeneracy and it caused widespread social disorder Assembling a picture of the complex and sometimes contradictory responses to plague from medical spiritual and civic perspectives this book uncovers the place of music whether regarded as an indispensable medicine or a moral poison that exacerbated outbreaks in the management of the disease This original musicological approach further reveals how composers responded in their works to the discourses and practices surrounding one of the greatest medical crises in the pre modern age Addressing topics such as music as therapy public rituals and performance and music in religion the volume also provides detailed musical analysis throughout to illustrate how pestilence affected societal attitudes toward music

Stonewall Jackson and Religious Faith in Military Command Kenneth E. Hall,2005-05-03 The relationship between war and religion is nothing new For millennia humankind has waged war over religion and derived religion from war It is not surprising then that military leadership and religious conviction frequently coincide This study documents the long tradition of the religious warrior in Western history and literature with a special focus on Civil War general Thomas J Stonewall Jackson It also provides a general survey of the religious antecedents of Jackson and other more modern American military

heroes The book begins with an introduction to the Confederate general largely from the perspective of those who lived with and served under him whose testimonies attest to his courage initiative innate tactical talent deep religious faith and eccentric personal habits The author analyzes the extent to which Jackson's national zeal has elevated him to the status of a religious martyr remembered today within an epic frame of sainthood and heroism Concise comparisons are drawn between Jackson and his Old World predecessors including Ulrich Zwingli John Knox and Oliver Cromwell Similar associations are made between Jackson and such Civil War contemporaries as William Dorsey Pender and Oliver Otis Howard A chapter addressing the representation of Stonewall in modern Civil War literature and film particularly in the novel and subsequent motion picture *Gods and Generals* provides an insightful juxtaposition of Jackson's status among the gods of the Civil War and his own reverence for the God of his Presbyterian faith The Essential City of God Gregory W. Lee, 2025-04-01

Augustine is the most influential thinker of Western Christianity and *City of God* is arguably his greatest work After the sack of Rome in 410 many Romans despaired about the future of the empire Critics of Christianity blamed the devastation on the empire's conversion to the faith *City of God* is Augustine's monumental response to these challenges developed through analysis of Roman society engagement with classical philosophy and extended commentary on Scripture These sprawling discussions yield Augustine's theology of the two cities according to which all people are divided into two communities according to their ultimate loves whether of God or of self Christians are called to love eternal goods over temporal goods even as they seek the peace of the earthly city The length and complexity of *City of God* make its argument difficult to follow even for specialists This resource abridges Augustine's work and makes it accessible for a wide readership The selections focus on his social and political thought while indicating the larger shape of his work They are accompanied by explanatory notes essays on critical and complex topics and an outline of the entire text These aids will enable readers to experience Augustine's work for themselves *The Essential City of God* retrieves ancient wisdom for the modern world offering an enduring vision for faithfulness and hope in times of social instability **The Just War in the Middle Ages** Frederick H.

Russell, 1975 The first systematic attempt to reconstruct from original manuscript sources and early printed books the medieval doctrines relating to the just war the holy war and the crusade Despite the frequency of wars and armed conflicts throughout the course of western history no comprehensive survey has previously been made of the justifications of warfare that were elaborated by Roman lawyers canon lawyers and theologians in the twelfth and thirteenth century universities After a brief survey of theories of the just war in antiquity with emphasis on Cicero and Augustine and of thought on early medieval warfare the central chapters are devoted to scholastics such as Pope Innocent IV Hostiensis and Thomas Aquinas Professor Russell attempts to correlate theories of the just war with political and intellectual development in the Middle Ages His conclusion evaluates the just war in the light of late medieval and early modern statecraft and poses questions about its compatibility with Christian ethics and its validity within international law *Augustine's Teaching on the Two Cities*

(Civitates) and Nigerian Society Leonard Oshiokhamele Anetekhai, 2020-09-28 Augustine's creative and allegorical thought in his City of God on social life is one that provides citizens of the earthly cities especially Christians an opportunity to understand why and how they should contribute positively to public life through faith and social responsibility. Believing that human life is social, our human social existence must transcend and go beyond social religious and political affiliations. This requires that individuals be good and upright in their social engagements as religious and political citizens. It also entails individual rights, duties, and obligations without excluding the fight against injustice, social vice, exploitation, and power abuse within human society. These sets of values and the positive outcome thereof can only be achieved through love. This love is the driving force to social peace, a love which must promote order and justice within societal life. Irrespective of its heavenly orientation, these teachings are significantly context bound like every theological and philosophical endeavour that concerns and connects the human person to its earthly realities. Contextualising these concepts within human existence flows from a social religious and political assessment. It tends primarily towards moral benefits and social norms that must not lose sight of the spiritual reality which enlightens and builds good moral conscience that impacts virtues and values in society.

Christian Martyrdom and Political Violence Rubén Rosario Rodríguez, 2017-07-13 In recent years, martyrdom and political violence have been conflated in the public imagination. Rubén Rosario Rodríguez argues that martyr narratives deserve consideration as resources for resisting political violence in contemporary theological reflection. Underlying the three Abrahamic monotheistic traditions is a shared belief that God requires liberation for the oppressed, justice for the victims, and most demanding of all, love for the political enemy. Christian, Jewish, and Muslim martyr narratives that condone political violence, whether terrorist or state sponsored, are examined alongside each religion's canon in order to evaluate how central or marginalized these discourses are within their respective traditions. Primarily a work of Christian theology in conversation with Judaism and Islam, this book aims to model religious pluralism and cooperation by retrieving distinctly Christian sources that nurture tolerance and facilitate coexistence while respecting religious difference. The Warrior and the Pacifist Lester R. Kurtz, 2018-05-23 This book looks at two contradictory ethical motifs, the warrior and the pacifist, across four major faith traditions: Buddhism, Judaism, Christianity, and Islam, and their role in shaping our understanding of violence and the morality of its use. The Warrior and the Pacifist explores how these faith traditions, which now mutually inhabit our life spaces, bring with them across the millennia the moral teachings that have traveled from prehistoric humanity, embedded in the beliefs, rituals, and institutions socially constructed by humans to deal with ultimate concerns, core aspects of daily personal and social life, and life transitions.

The Morality of Self-Defense and Military Action David B. Kopel, 2017-02-16 Shedding new light on a controversial and intriguing issue, this book will reshape the debate on how the Judeo-Christian tradition views the morality of personal and national self-defense. Are self-defense, national warfare, and revolts against tyranny holy duties or violations of God's will? Pacifists insist these actions are the latter, forbidden by Judeo-Christian morality. This book maintains

that the pacifists are wrong To make his case the author analyzes the full sweep of Judeo Christian history from earliest times to the present combining history scriptural analysis and philosophy to describe the changes and continuity of Jewish and Christian doctrine about the use of lethal force He reveals the shifting patterns of thought in both religions and presents the strongest arguments on both sides of the issue The book begins with the ancient Hebrews and Genesis and covers Jewish history through the Holocaust and beyond The analysis then shifts to the story of Christianity from its origins through the Middle Ages and the Reformation up the present day Based on this scrutiny the author concludes that contrary to popular belief the legitimacy of self defense is strongly supported by Judeo Christian scripture and commentary by philosophical analysis and by the respect for human dignity and human rights on which both Judaism and Christianity are based

Augustine On War And Military Service Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Augustine On War And Military Service PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Augustine On War And Military Service PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free

downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Augustine On War And Military Service free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Augustine On War And Military Service Books

1. Where can I buy Augustine On War And Military Service books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
