Aunt Sass Christmas Stories Pamela Lyndon Travers, 2015 Published for the first time here are three holiday tales by the author of *Mary Poppins* a gift for all ages P L Travers wrote with a signature blend of sugar and spice her characters including Mary Poppins are endearing outsized and cozy Her talent for capturing the perspective of children shines through *Aunt Sass Christmas Stories* Each of the stories in this book was written as a holiday gift sent to her friends and family and never published Now her millions of readers and generations of filmgoers will recognize how she used her life story to inform her fiction Whether it is Aunt Sass herself who Travers admits is partly her inspiration for Poppins or the Chinese cook whose heathen ways show the narrator the path to salvation or the crass ex jockey whose life work is not at all what it appears the characters are unforgettable

Fox at the Manger P. L. Travers, 2015-11-05 For the first time since the war the Christmas peal is ringing at St Paul's Cathedral There is joy There is new hope It is Christmas Eve the carol service has ended and a woman with three small boys leaves the cathedral the children swooping like pigeons Why weren't there any wild animals at the crib Haven't they got something to give asked one of the children And I heard myself say Yes they have Was it true what I told them Did I dream it Where it came from I do not know but I seemed to remember every word just as if I had heard it Outside the cathedral the children are told the nativity story from a unique perspective that of a fox Despite the scorn of the other animals he enters the stable to offer the child a gift that only he can give *Talking Book Topics*, 2016 *Mary Poppins, She Wrote* Valerie

Lawson,2013-12-03 The story of Mary Poppins the quintessentially English and utterly magical children s nanny is remarkable enough She flew into the lives of the unsuspecting Banks family in a children s book that was instantly hailed as a classic then became a household name when Julie Andrews stepped into the starring role in Walt Disney s hugely successful and equally classic film Now she is a sensation all over again both on Broadway and in Disney s upcoming film Saving Mr Banks Saving Mr Banks retells many of the stories in Valerie Lawson s biography Mary Poppins She Wrote including P L Travers s move from London to Hollywood and her struggles with Walt Disney as he adapted her novel for the big screen Travers whom Disney accused of vanity for thinking she knows more about Mary Poppins than I do was a poet and world renowned author as tart and opinionated as Andrews s big screen Mary Poppins was cheery and porcelain beautiful Yet it was a love of mysticism and magic that shaped Travers s life as well as the very character of Mary Poppins The clipped strict and ultimately mysterious nanny who emerged from her pen was the creation of someone who remained inscrutable and enigmatic to the end of her ninety six years Valerie Lawson s illuminating biography provides the first full look at the life of the woman and writer whose personal journey is as intriguing as her beloved characters [Zia Sass](#) Pamela Lyndon
