Austin Goh My Journey:

The Sons of Maeda Franco Vacirca,2021-07-28 Had there been no Mitsuyo Maedas with the emphasis on the plural Maedas jiu jitsu would probably have been forgotten during the 20th century We owe the survival of the valuable and unique knowledge of this martial art to numerous masters who left their native Japan at a young age around the turn of the century before last for an uncertain future in the West They all took an arduous journey either to leave behind a rapidly changing Japan after the Meiji Restoration in 1868 and to create better prospects for their future lives or because like Maeda they were expressly sent out into the wide world by their masters to spread the gentle art This is my story of the Jiu Jitsu that came from Japan to Europe and to Brazil to later spread throughout the world Franco Vacirca Garcia *My Journey* Austin Goh,2013

The Breaking Power of Wing Chun Austin Goh,1986-11 [Showing Up](#) Nedd Brockmann,2023-10-04 Get comfortable with being uncomfortable the story of a 23 year old tradie who put his body through hell and back 10 times to prove that anything is possible when you break past your own barriers Longlisted for the Indie Book Awards 2024 Nedd Brockmann isn't afraid to dream big Fresh after running fifty marathons in fifty days the twenty three year old had an idea a 4000 kilometre run across Australia averaging 100 kilometres per day with the aim of completing it in the fastest known time of 43 days He wasn't chasing fame or public recognition He just wanted to test his limits and raise a million dollars for homelessness in the process Most said he was crazy others claimed it couldn't be done But those who know Nedd knew never to doubt him They understood that this is someone who will do whatever it takes to finish what he started and that when he commits his mind to something he always gets it done Understanding the mindset of someone predisposed to such feats of voluntary suffering has been nearly impossible until now With his trademark humour and unfiltered style Nedd recalls the lessons learned on sporting fields that cultivated discipline the setbacks that tested his resolve and the relationships that proved most important of all those who instilled the importance of hard work of never giving up and to always give back generously

Billboard Music Week, 1907 Serving a New Nation Ooi Kee Beng, 2011 The story of Dr Baey Lian Peck should be well known but it is not Not even among Singaporeans and especially not among the young This tells us a lot about a Singapore caught in pathological haste and prone towards ignoring values that do not add to the financial bottom line The innovativeness of Dr Baey did not only make him a very wealthy man before he was forty it also made him an indispensable actor in the implementation of urgently constructed national policies Political leaders such as Dr Toh Chin Chye Lim Kim San Chua Sian Chin and Dr Goh Keng Swee picked him to solve pressing problems such as skyrocketing inflation in the early 1970s the crisis in prisoner ward in the late 1970s and the drug addiction epidemic in that same latter period His one condition for taking on public positions was that he should not be paid It was exactly this independent trait that made him so highly effective
