**Austria's Eastern Question, 1700-1790** Karl A. Roeder Jr., 2014-07-14 Focusing on the policy of the Hapsburg Monarchy toward the Ottoman Empire during the whole of the eighteenth century Karl A Roeder maintains that it was in the early part of that century when Austria first faced the twin problems of Ottoman decline and Russian expansion into southeastern Europe Originally published in 1982 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 Great Power Diplomacy A. Wess Mitchell, 2025-10-14 A captivating history of diplomacy and an urgent reminder of why we need to revive its lost arts to survive in a dangerous era of great power competition From the beginning of time human societies have found themselves confronted by enemies too numerous or ferocious to defeat solely by force of arms In these dramatic moments wise leaders have turned to diplomacy to rearrange the gameboard in their favor and stymie seemingly unstoppable foes In Great Power Diplomacy American historian and diplomat A Wess Mitchell recounts the forgotten story of how history's most legendary empires have used diplomacy as a tool of grand strategy to outwit outmaneuver and outlast militarily superior opponents Through fifteen centuries of history Great Power Diplomacy recreates the perilous junctures colorful personalities and intricate statecraft that led to some of history's most stunning diplomatic achievements and greatest disasters The protagonists include giants like Richelieu Metternich Bismarck and Kissinger but also a lesser known cast of scoundrels eunuchs drunkards and fools At every turn fortune favored those great powers with the foresight and dexterity to build winning alliances splinter enemy coalitions and when necessary make peace with their bitterest foes Diplomacy of this kind has become a lost art in recent years as Western elites embraced the illusion that globalization and the spread of democracy would create a borderless world where nations would live in harmony and war would be abolished from the human story But as Great Power Diplomacy reveals we will need to rediscover the secrets of skillful statecraft as the world enters an unstable new era in which continent sized great powers compete for territory resources and prestige By recalling diplomacy's rich past we can equip ourselves for a more dangerous future **A London Bibliography of the Social Sciences**, 1931 Vols 1 4 include material to June 1 1929 Arts & Humanities Citation Index, 1980 A multidisciplinary index covering the journal literature of the arts and humanities It fully covers 1 144 of the world's leading arts and humanities journals and it indexes individually selected relevant items from over 6 800 major science and social science journals
