Motherhood Realized Power of Moms,2014-04-08 We believe that family life is beautiful and that motherhood is a privilege But we also believe it is often really hard to see all that beauty when we re in the midst of mothering So often we feel like we re spread too thin We feel like we don t match up Our hearts want to do more than our hands can manage And every day as we cycle through household duties discipline errands conversations teaching and hundreds of unexpecteds we re often left tired worried and in need of some extra inspiration and encouragement Power of Moms is an online community of deliberate mothers Since 2007 millions of mothers from all backgrounds who are striving to be the best they can be have gathered to our website to learn and grow together Time and again our posts receive comments that say something like I am going to print this out and put it on my nightstand so I can read it again and again We ve been concerned about those nightstands getting all cluttered up with paper So we ve selected dozens of our most popular posts and compiled them neatly into this book just for you This book isn t just a book It s a tangible representation of a living breathing community of mothers Motherhood is the hardest job we ll ever love and it s so much better when we re doing it together **PoleMoves Level 1**
