

RADIO MODE

Programme type (PTY)

Besides transmitting the station name, some FM stations also provide information on the type of programme that they are broadcasting. Your car radio can receive and display this information.

For example, the programme types can be:

CULTURE	TRAVEL	JAZZ
SPORT	NEWS	POP
ROCK	CLASSICS	

You can use the PTY function to select stations of a particular programme type.

PTY-EON

If you specify the programme type and start seek tuning, the radio will switch from the current station to a station of the selected programme type.

Note:

If the tuner does not find a station that corresponds to the selected programme type, you will hear a beep and "NO PTY" appears briefly in the display. The radio will then retune to the station that it received last.

- If the tuned radio station or another station on the broadcasting network broadcasts your selected programme type at a later point in time, the radio will automatically switch from the currently tuned station or from CD mode, MP3 mode or CD-changer mode to the station whose programme type matches the one you selected.

Activating PTY

To use the PTY function,

- press the **TUNER** button (13) while in radio mode.

The radio functions menu appears in the display.

- Press the **NEXT** button (4).
- Press the softkey (5) assigned to the "PROG TYP" display item.

If PTY is activated, the display shows the current programme type. PTY lights up in the display. The programme types are displayed alongside the softkeys (5).

Deactivating PTY

To switch off the PTY function,

- Whilst the programme types are being displayed, press the softkey (5) assigned to the "PTY OFF" display item.

Selecting a programme type and starting seek tuning

The PTY menu comprises several pages on which the known programme types are displayed. To browse through the PTY menu's pages,

- press the **NEXT** button (4) repeatedly until the programme type that you want appears alongside one of the softkeys.
- Press the softkey (5) assigned to the programme type that you want.
- Move the joystick (8) up/right or down/left to start seek tuning.

The aim of this book is to publicise a vision for the United Kingdom outside the EU A valid concern of the undecided voter abounds from the uncertainty of the UK trading arrangements post Brexit I propose a vision based upon free trade with emerging countries with cheaper food for the UK consumer the chance for developing nations to escape poverty and for the UK to lead free trade areas that dwarf the EU and rival China A vision based upon spending the 10 billion the UK gives to the EU on our NHS and social care and tax cuts for the low paid A vision for an economy utilizing the high skills and hi tech giving hope to the British people dynamism and competition through tax cuts and investment in social housing infrastructure and energy independence across the whole United Kingdom History proves that when the resolve of the free world weakens then aggressors such as Russia and IS are strengthened I propose a fully costed programme to rebuild UK defence at all levels with armaments and aircraft built in the UK Strong defence will not only counter aggression but provide high skilled jobs and strengthen the UK steel industry *Stereo Review* ,1990 **Summary of Rebecca Donner's All the Frequent**
