

WATCHMAN TRILOGY

The poster features a dark, atmospheric background. In the center, the silhouettes of two figures, likely Nite Owl II and Silk Spectre II, are shown from behind, looking up. Above them, a large, pale, spherical face with glowing orange eyes looms in the dark sky. Several other smaller, similar spheres with glowing eyes are scattered in the upper half of the image. The overall tone is ominous and mysterious.

Blind Mercy No One Survives Without It Watchman Trilogy:

Blind Mercy Phil Quinton, 2019-12-17 Blind Mercy is a story about today as told by those living in the year 2160 by the Watchman of the village to their children. He has the children for a time each month to tell them stories of the past, teaching them history as well as scriptural principles. This story is about a man who lived in our time circa 1949-20. It details his life from birth to salvation at age 38. It demonstrates how the evil one Lucifer uses spirits to hinder and influence people. The protagonist in the story is called the Strongman, who was assigned to the man from his birth. He uses many other spirits to hinder the growth and life of his assignment. The story details his childhood, the physical and mental abuses he suffered, drug abuse, alcoholism, hate, and anger issues along with injuries and humiliation. His redemption is the climax of the story. Both demons and angelic beings called the others play a significant part in the story, and they speak, fight, and contend over the man's soul. There is evidence that more goes on around us that we cannot see than what we actually can see. You will see our Father move, our adversary move, and then witness how He does indeed move again. **Motion Picture Almanac**, 2006
