Midnight in the Harem: For Duty's Sake / Banished to the Harem / The Tarnished Jewel of Jazaar Lucy Monroe, Carol Marinelli, Susanna Carr, 2015-05-01 Luxurious Moorish palaces A commanding sheikh For Duty's Sake **Voices from the Harem** Nancy Hartwell Enonchong, 2016-11-29 Reviews for Voices from the Harem If you are the parent of a teenage girl you should put this book on your must read list It is a fascinating but extremely disturbing collection of anecdotes from girls who describe how they wound up in a slave harem One reviewer said that there was too much fantasy but I think she completely missed the point A number of girls have gone insane and have retreated into fantasy worlds where they feel safe because they could no longer deal with their real lives locked away forever in a harem Carmen F This was an unexpected treat because I wasn't sure about what I was getting into All 111 girls in Prince Ibrahim's Il Giardino Posteriore harem tell their own stories of how they wound up in the harem and what they think about it Some of them tell really spooky stories about where they had been before like the girl who used to belong to a guy who flunked out of medical school but bought slaves so he could operate on people anyway Of course most of them died but he got to indulge his desire Or the one who had been in a mad scientist's laboratory and he would run bizarre experiments on the unfortunate victims there Touching moving heart breaking stories Marie C This is an excellent book describing the dreary unrewarding life of Harem Slaves Their personal stories of how they got there is both riveting and also horrifying At times it left me shaking my head in bewilderment when some of these women described their feelings towards their enslaver A fascinating read even on its own Flavius J Horribly heartrending Jamie R I cannot believe this still goes on to this day Gripping unbelievable but most of all heart breaking I wish there was more being done to combat this Natalie S Some of the women in the harem are ones that were also ones who were killed at the Rodeo in horrible ways Some girls were killed after only being in the harem a few months for poor performance because they had trouble adjusting to having been kidnapped from their families and country Prince Ibrahim killed a girl a month just because he could Some of the women had gone quietly insane after years of being cooped up in a pretty cage with no way out Karbie **Prisoner of the Harem** Julia Herbert, 1984 *Valide* Barbara Chase-Riboud, 1988 **Escape from the Harem** Mary Lyons, 1986-01-01 **The Romance of the Harem** Anna Harriette Leonowens, 2018-03-29 **The Romance of the Harem** Anna Harriette Leonowens, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1873 edition Excerpt CHAPTER XV THE FAVORITE OF THE HAREM THE morning on which his Majesty set out on his annual visit to Pitchaburee was one of those which occur in the climate of Siam at almost any season of the year but are seen in their perfection only in October The earth air and sky seemed to bask in a glory of sunlight and beauty and everything that had life gave signs of perfect and tranquil enjoyment Not a sound broke the stillness and there seemed nothing to do but to sit and watch the long shadows sleeping on the distant hills and on the warm

golden fields of waving corn Reluctantly quitting my window I turned my steps toward the palace leaving all this beauty behind me in a kind of despair not that my temple school room was not in itself a delicious retreat but that it always impressed me with a feeling I could never analyze when there it seemed as if I were removed to some awful distance from the world I had known and were yet more remotely excluded from any participation in its real life Taking out my book I sat down to await the coming of such of my pupils as might not have accompanied the king on his visit In the course of an hour only one presented herself she was a young woman called Choy a fair and very handsome girl of about twenty summers or perhaps not so many with regular features a very rare thing in a Siamese woman but the great beauty of her face was in her large lustrous eyes which were very eloquent even in their seeming indifference Her hair which was so long that when unbound it covered her whole person even to her feet was tied in a large knot behind and ornamented with the jessamine and Indian myrtle She had a careless and I might almost say even a wicked expression in her face which
