✓ General Church Usher Duties

Record approximate church attendance

Welcome all worshippers and escort to seats

Designate minimum of one usher to stand in back of church during service

If a worshipper arrives late or is returning from a restroom, escort to seat at appropriate stopping point in service.

✓ The Offering

Designate minimum of four ushers for the offering, head to back of church when time is right

Line up in center aisle in twos

Proceed to the altar with the music, stopping in front of the altar steps with the front ushers moving to the outside allowing room for the back ushers to move forward in the center.

Take plates from the acolyte and bow

The two ushers on the outside will take the respective outside aisle, and the two ushers in the middle will take the left and right side of the center aisle

After the offerings are gathered, the 4 ushers will come down the center aisle and line up as they did to receive the offering plates. They will return the plates to the acolyte and bow.

To return, the outside ushers will lead the center ushers to the back of the church. (Always turn inward). The ushers may return to their seats.

✓ Communion

Designate minimum of 4 ushers for communion

Proceed to back of church after the Sharing of Peace

Using the center aisle, there should be 2 ushers lined up on the left and 2 ushers lined up on the right.

When the pastor has finished receiving communion, the ushers should walk to the beginning of first pew. If there is a choir during the service, the choir will line up between the ushers on the right.

The back ushers job is to direct the communicants to the center aisle, beginning with the two center sections of the church in groups of 8-10 people. An effort should be made to allow family groups to commune together. The back usher should make every effort to keep a flow of people to the center aisle.

The front usher's job is to step aside when the communion rail on their side of the church is empty allowing the communicants to advance to the communion rail. The front usher should also count the number of people that will be taking communion

After the center aisles are complete, the back ushers should go to the first of the pews on the outside aisles and continue advancing the people to the center aisle for communion.

The ushers should commune with the last group. You may return to your seats.
