Stuart Hirschberg

A Vision A Reissue With The Authors Final Revisions:

A Vision William B. Yeats, 1961 **Modernism and the Crisis of Sovereignty** Andrew John Miller, 2020-09-19 This book describes how three of the most significant Anglophone writers of the first half of the twentieth century Yeats Eliot and Woolf wrestled with a geopolitical situation in which national boundaries had come to seem increasingly permeable at the same time as war among and within individual nation states had come to seem virtually inescapable Drawing on Jean Fran ois Lyotard s analysis of the elements of performativity in J L Austin s speech act theory and making critical use of Carl Schmitt s writings on sovereignty and world order Miller situates the writings of Yeats Eliot and Woolf in the context of what Lyotard describes as a civil war of language By virtue of its dissolution of any clear boundary between interiority and exteriority as well as by virtue of its resistance to any decisive form of resolution or regulation this civil war of language takes on dimensions that are ultimately global in scope Miller examines the emergence of modernism as bound up with a crisis of personal political and aesthetic sovereignty that undermined traditional distinctions between the public and private In the process he directly engages with the theoretical discourse surrounding the geopolitical impact of globalization and biopolitics a discourse that is central to the influential and widely debated work of such varied figures as Carl Schmitt Hardt and Negri Giorgio Agamben and Jean Luc Nancy This book will be of interest to anyone concerned not only with twentieth century literature but also with questions of nationalism and globalization Selected Poems And Four Plays William Butler Yeats, 2011-11-08 Since its first appearance in 1962 M L Rosenthal s classic selection of Yeats s poems and plays has attracted hundreds of thousands of readers This newly revised edition includes 211 poems and 4 plays It adds The Words Upon the Window Pane one of Yeats s most startling dramatic works in its realistic use of a seance as the setting for an eerily powerful reenactment of Jonathan Swift s rigorous idealism baffling love relationships and tragic madness The collection profits from recent scholarship that has helped to establish Yeats s most reliable texts in the order set by the poet himself And his powerful lyrical sequences are amply represented culminating in the selection from Last Poems and Two Plays which reaches its climax in the brilliant poetic plays The Death of Cuchulain and Purgatory Scholars students and all who delight in Yeats s varied music and sheer quality will rejoice in this expanded edition As the introduction observes Early and late he has the simple indispensable gift of enchanting the ear He was also the poet who while very much of his own day in Ireland spoke best to the people of all countries And though he plunged deep into arcane studies his themes are most clearly the general ones of life and death love and hate man s condition and history s meanings He began as a sometimes effete post Romantic heir to the pre Raphaelites and then quite naturally became a leading British Symbolist but he grew at last into the boldest most vigorous voice of this century Selected Poems and Four Plays represents the essential achievement of the greatest twentieth century poet to write in English **The House That Jack Built (New Edition)** Jack Spicer, 2025-09-09 The House That Jack Built collects for the first time the four historic talks given by controversial poet Jack Spicer just before his

early death in 1965 These lively and provocative lectures function as a gloss to Spicer's own poetry a general discourse on poetics and a cautionary handbook for young poets This long awaited document of Spicer's unorthodox poetic vision what Robin Blaser has called the practice of outside is an authoritative edition of an underground classic Peter Gizzi's afterword elucidates some of the fundamental issues of Spicer's poetry and lectures including the concept of poetic dictation which Spicer renovates with vocabularies of popular culture radio Martians and baseball his use of the California landscape as a backdrop for his poems and his visual imagination in relation to the aesthetics of west coast funk assemblage This book delivers a firsthand account of the contrary and turbulent poetics that define Spicer's ongoing contribution to an international avant garde

A New Species of Man Gale C. Schricker, 1982 A critical analysis of the persona in the works of Yeats land of its quest for unity of being Winner of the 1980 Bucknell prize for best manuscript in the field of Contemporary Literary Criticism

A Study of Rhythmic Structure in the Verse of William Butler Yeats Adelyn Dougherty, 2018-11-05 No detailed description available for A Study of Rhythmic Structure in the Verse of William Butler Yeats

Anglistische Forschungen Stuart Hirschberg, 1979 *Our Secret Discipline* Helen Vendler, 2007-11-29 The fundamental difference between rhetoric and poetry according to Yeats is that rhetoric is the expression of one's quarrels with others while poetry is the expression of one's quarrel with oneself Through exquisite attention to outer and inner forms Vendler explores the most inventive reaches of the poet's mind

The Image of the Feminine in the Poetry of W.B. Yeats and Angelos Sikelianos Anastasia Psoni, 2018-12-19 Modernism as a powerful movement saw the literary and artistic traditions as well as pure science starting to evolve radically creating a crisis even chaos in culture and society Within this chaos myth offered an ordered picture of that world employing symbolic and poetic images Both W B Yeats and Angelos Sikelianos embraced myth and symbols because they liberate imagination and raise human consciousness bringing together humans and the cosmos Being opposed to the rigidity of scientific materialism that inhibits spiritual development the two poets were waiting for a new age and a new religion expecting that they themselves would inspire their community and usher in the change In their longing for a new age archaeology was a magnetic field for Yeats and Sikelianos as it was for many writers and thinkers After Sir Arthur Evans's discovery of the Minoan Civilization where women appeared so peacefully prominent the dream of re-creating a gynocentric mythology was no longer a fantasy In Yeats's and Sikelianos's gynocentric mythology the feminine figure appears in various forms and like in a drama it plays different roles Significantly a gynocentric mythology permeates the work of the two poets and this mythology is of pivotal importance in their poetry their poetics and even in their life as the intensity of their creative desire brought to them female personalities to inspire and guide them Indeed in Yeats's and Sikelianos's gynocentric mythology the image of the feminine holds a place within a historical context taking the reader into a larger social political and religious space

The Masks of Keats Thomas McFarland, 2000 This book surveys the poetic endeavour of John Keats and urges that his true poetry is uniquely constituted by being uttered

through three artificial masks rather than through the natural voice of his quotidian self The first mask is formed by the attitudes and reality that ensue from a conscious commitment to the identity of poet as such The second called here the Mask of Camelot takes shape from Keats's acceptance and compelling use of the vogue for medieval imaginings that was sweeping across Europe in his time The third the Mask of Hellas eventuated from Keats's enthusiastic immersion in the rising tide of Romantic Hellenism Keats's great achievement the book argues can only be ascertained by means of a resuscitation of the defunct critical category of genius as that informs his use of the masks To validate this category the volume is concerned throughout with the necessity of discriminating the truly poetic from the meretricious in Keats's endeavour The Masks of Keats thus constitutes a criticism of and a rebuke to the deconstructive approach which must treat all texts as equal and must entirely forego the conception of quality

A Vision A Reissue With The Authors Final Revisions Book Review: Unveiling the Magic of Language
