

BONHOEFFER & KING

SPEAKING TRUTH TO POWER

J. DEOTIS ROBERTS

Bonhoeffer And King Speaking Truth To Power

Lewis V. Baldwin, Victor Anderson

Bonhoeffer And King Speaking Truth To Power:

Bonhoeffer and King J. Deotis Roberts, 2005-01-01 *Bonhoeffer and King* James Deotis Roberts, 2005-01-01 A study of two of the most significant prophetic leaders in the twentieth century J Deotis Roberts s *Bonhoeffer and King* is an instructive work in theological ethics This book considers and compares the theological reflections that guided Bonhoeffer s courageous stand against Nazism and King s quest for civil rights in America **Intertextuality in the Second Century** D. Jeffrey Bingham, Clayton N. Jefford, 2016-12-05 This volume offers an appreciation of the value of intertextuality from Greek Roman Jewish and biblical traditions as related to the post apostolic level of Christian development within the second century Not least of these foundational pillars is the certain impact of the Second Sophistic movement during this period with its insipient influence on much of early Christian theology s formation The variety of these strands of inspiration created a tapestry of many diverse elements that came to shape the second century Christian situation Here one sees biblical texts at work Jewish and Greek foundations at play and interaction among patristic authors as they seek to reconcile their competing perspectives on what it meant to be Christian within the contemporary context *Pacifism, Just War, and Tyrannicide* David M. Gides, 2012-03-02 Dietrich Bonhoeffer s perplexing and controversial shift from admitted pacifism to tyrannicide has been the source of scholarly and popular inspiration and criticism How could an admitted Christian pacifist be involved in a plot to assassinate a political figure Is there a way to understand and explain this phenomenon comprehensive enough to encompass all relevant data One that takes into account the nuances of Bonhoeffer s theology and all of the elements of his complex historical and personal contexts This study attempts to offer an explanation by linking Bonhoeffer s political thinking and action with his understanding of the church world relationship and by evaluating the changes in that thought action dyad as his life progressed What emerges is a portrait of a bold and visionary thinker and political agent whose church world theology while discontinuous is consistent enough to be authentic and yet flexible enough to meet the extraordinary challenges presented by Nazism and its intrusion into the churches Gides suggests that it is actually Bonhoeffer s malleable church world thinking that ultimately distinguishes him from his theological and ecclesial contemporaries and even from the mass of German church persons and citizenry it allowed him to confront evil by reaching beyond the constraints of traditional Lutheran thinking *His Truth Is Marching On* Jon Meacham, 2021-09-07 1 NEW YORK TIMES BESTSELLER An intimate and revealing portrait of civil rights icon and longtime U S congressman John Lewis linking his life to the painful quest for justice in America from the 1950s to the present from the Pulitzer Prize winning author of *The Soul of America* An extraordinary man who deserves our everlasting admiration and gratitude The Washington Post ONE OF THE WASHINGTON POST AND COSMOPOLITAN S BEST BOOKS OF THE YEAR John Lewis who at age twenty five marched in Selma Alabama and was beaten on the Edmund Pettus Bridge was a visionary and a man of faith Drawing on decades of wide ranging interviews with Lewis Jon Meacham writes of how this great grandson of a slave and son of an Alabama tenant farmer was

inspired by the Bible and his teachers in nonviolence Reverend James Lawson and Martin Luther King Jr to put his life on the line in the service of what Abraham Lincoln called the better angels of our nature From an early age Lewis learned that nonviolence was not only a tactic but a philosophy a biblical imperative and a transforming reality At the age of four Lewis ambitious to become a minister practiced by preaching to his family s chickens When his mother cooked one of the chickens the boy refused to eat it his first act he wryly recalled of nonviolent protest Integral to Lewis s commitment to bettering the nation was his faith in humanity and in God and an unshakable belief in the power of hope Meacham calls Lewis as important to the founding of a modern and multiethnic twentieth and twenty first century America as Thomas Jefferson and James Madison and Samuel Adams were to the initial creation of the Republic itself in the eighteenth century A believer in the injunction that one should love one s neighbor as oneself Lewis was arguably a saint in our time risking limb and life to bear witness for the powerless in the face of the powerful In many ways he brought a still evolving nation closer to realizing its ideals and his story offers inspiration and illumination for Americans today who are working for social and political change

Revives My Soul Again Lewis V. Baldwin, Victor Anderson, 2018-11-01 MLK and the Practice of Spirituality The scholarship on Martin Luther King Jr is seriously lacking in terms of richly nuanced and revelatory treatments of his spirituality and spiritual life This book addresses this neglect by focusing on King s life as a paradigm of a deep vital engaging balanced and contagious spirituality It shows that the essence of the person King was lies in the quality of his own spiritual journey and how that translated into not only a personal devotional life of prayer meditation and fasting but also a public ministry that involved the uplift and empowerment of humanity Much attention is devoted to King s spiritual leadership to his sense of the civil rights movement as a spiritual movement and to his efforts to rescue humanity from what he termed a perpetual death of the spirit Readers encounter a figure who took seriously the personal interpersonal and sociopolitical aspects of the Christian faith thereby figuring prominently in recasting the very definition of spirituality in his time King s holistic spirituality is presented here with a clarity and power fresh for our own generation **Hopeful Realism in Urban Ministry** Barry K. Morris, 2016-05-20 What pray tell does a faithful urban ministry require if not a triadic relationship of prayer justice and hope Could such a theologically conjunctive relationship of prayer justice and hope fortify urban ministry and challenge students and practitioners to ponder and practice beyond the box Frequently justice is collapsed to charity hope into wishful thinking or temporarily arrested despair and prayer a grasp at quick fix interventions An urban ministry s steadfast public and prophetic witness longs for the depth and width of this triad Via three countries decades of endeavors one chapter brainstorms urban ministry practices while another s literature survey signals crucial convictions Amid many seminal theologians are summoned to ground urban ministry intimations and implications Niebuhr on justice Moltmann on hope and Merton on contemplative prayer Evident is passion that fuels compassion in the service of justice hope that engages despair and prayer that draws from the contemplative center of it all thankful resources for long

haul ministry The triad presses to illumine a concrete ministry's engagement of relentless forced option issues yet with significant networks resourcing Contrast awareness animates endurance The summary exegetes the original grace based serenity prayer Hence hope vitally balances realism's temptation to cynicism Realism saves hope from irrelevancy

Theology in the Mode of Monk: An Aesthetics of Barth and Cone on Revelation and Freedom, Volume 2 Raymond Carr, 2024-11-15 This captivating study engages two of the most influential theologians of the twentieth century Karl Barth the Swiss Protestant theologian who constructed his theology from above and engaged the powers in the background of Nazi Germany and James H Cone the father of Black Theology in America who constructed his theology from below and confronted white racism the most intractable issue in America's history In this three volume project Carr employs the aesthetic thinking of the jazz legend Thelonious Monk to reconceptualize restructure and advance the theologies of Barth and Cone In this second volume Carr appeals to Monk's tune Round Midnight as the analogical framework for articulating the meaning between Christ the cantus firmus and the sociopolitical histories of Karl Barth and James Cone Monk's encouragement to improvise on the melody is heard as the melodic foundation for a new form of christological reflection

Abortion, Execution, and the Consequences of Taking Life James D. Slack, 2017-09-08 This book focuses on the relationship between public morality and personal action in the American political community It emphasizes the responsibilities of citizens and government to find and confirm truth looking to specific sources religious scripture and empirical events Recognizing that we have a natural preference for distraction and distance from both sources of truth Slack uses qualitative open ended interviews and direct observation to uncover the intimate consequences of life taking in open societies Abortion and murder capital punishment are instances in which there is a sequence of events that result in life taking The act of murder denies the sanctity of life of someone else Abortion and capital punishment also deny the sanctity of the lives of others The intimacy of life taking is not typically acknowledged or remains hidden This makes it difficult to assess the consequences for victims survivors and the political community as a whole As a result there is only a tenuous link between public actions that question the sanctity of human life and the moral compass professed by the American democracy The volume presumes a theocentric foundation envisioned by the American Founders It explores the model's first source of truth biblical scripture as it applies to the public actions of murder abortion and capital punishment Then it investigates the intimate reality of these acts These realities are examined in a variety of settings resulting in a mosaic pattern of public action about capital punishment and abortion Slack underscores the importance of government's role of providing outward justice as well as the citizen's responsibility to be supportive of government tasks in order to reconcile the reality of life taking with the moral compass professed in the American political community

Sacred Anthropology Tyshawn Gardner, 2022-10-25 Pastors are often ill equipped in preparing churches to be sacred advocates and activists in the communities most affected by social injustice and neglect Sacred Anthropology aims to inform and equip pastors in discipling

the body of Christ to effect social transformation in times of social crisis Tyshawn Gardner envisions the pastor as a sacred anthropologist as one who understands the cultures of other image bearers for the sake of promoting the justice of God in the world As a pastoral mandate the sacred anthropologist challenges churches to be engaged in the political and social transformation of their community The social anthropologist employs both secular and theological tools for an effective contextualized ministry This book posits prophetic radicalism as a pastoral theology and the pastoral office as the center of prophetic radicalism yet it does not limit prophetic radicalism to the pastoral office Sacred Anthropology is written with pastors and parishioners from any ethnic group in mind but draws heavily on the prophetic pastoral and preaching tradition of African American pastors and churches Using this foundation and tradition sacred anthropologists can lead their congregations in a way that challenges them to be involved engaged and transformative

Whispering the Secrets of Language: An Mental Journey through **Bonhoeffer And King Speaking Truth To Power**

In a digitally-driven world where displays reign great and quick transmission drowns out the subtleties of language, the profound techniques and emotional nuances hidden within words frequently go unheard. Yet, set within the pages of **Bonhoeffer And King Speaking Truth To Power** a fascinating fictional value blinking with organic emotions, lies an exceptional quest waiting to be undertaken.
