The Secret of Mental Magic William Walker Atkinson,1907

Three Great Books on Magic Franz Bardon,2020-12-06 This volume contains three books of Franz Bardon 1 Initiation into Hermeticism 2 The Practice of Magical Evocation 3 The True Key to the Quabballah In reality magic is a sacred science it is in the very true sense the sum of all knowledge because it teaches how to know and utilize the sovereign rules There is no difference between magic and mysticism or any other conception of the name Wherever authentic initiation is at stake one has to proceed on the same basis according to the same rules irrespective of the name given by this or that creed Considering the universal polarity rules of good and evil active and passive light and shadow each science can serve good as well as bad purposes Let us take the example of a knife an object that virtually ought to be used for cutting bread only which however can become a dangerous weapon in the hands of a murderer All depends on the character of the individual This principle goes just as well for all the spheres of the occult sciences In my book I have chosen the term of magician for all of my disciples it being a symbol of the deepest initiation and the highest wisdom

100 Effective Ways for Self Development , **Essays On Magical Idealism** Julius Evola,2025-05-07 First published in 1925 Saggi sull idealismo magico Essays on Magical Idealism marks one of Julius Evola s most original and audacious philosophical works Drawing upon German idealism especially Fichte and Novalis as well as Western esotericism and Hermetic traditions Evola develops a vision of subjectivity not merely as a passive contemplator of reality but as an active transmutative force Central to the work is the idea that true knowledge and spiritual transformation emerge through an inner magical act that unites thought and being The book rejects both materialist realism and abstract metaphysics in favour of a doctrine in which the Self through conscious discipline asserts its sovereignty over experience and becomes the axis of a new metaphysical order More than a theoretical treatise Essays on Magical Idealism

proposes a path of inner realisation a spiritual alchemy aimed at the transfiguration of man
