Doing Honest Work in College, Third Edition

Charles Lipson, 2019-01-25 Doing Honest Work in College stands on three principles do the work you say you do give others credit and present your research fairly These are straightforward concepts but the abundance of questionable online sources and temptation of a quick copy paste can cause confusion as to what is considered citing and what is considered cheating This guide starts out by clearly defining plagiarism and other forms of academic dishonesty and then gives students the tools they need to avoid those pitfalls This edition addresses the acceptable use of mobile devices on tests the proper approach to sources such as podcasts or social media posts and the limitations of citation management software
