Mastering the Business of Writing Sharon Jenkins, 2015-04-27 So God told you to write a book, so now what? Sometimes when we hear the call, it's nice to have an instruction manual to guide you through the end of your manuscript. Whether you are writing for ministry or to make money to finance your God project, knowing where to start and how to get equipped for the journey is imperative to your end result. *Christian Authorpreneurship: Mastering the Business of Writing* is the answer to your prayers. It is one of the few books that addresses the Nehemiah Principle for writers. This book equips readers to effectively take care of the business side of writing while consecutively building content that will equip, edify, and exhort their reading audience. Each chapter ends with an activity that reinforces what you've learned in the preceding chapter to ensure that you are ready for manuscript completion. *Christian Authorpreneurship: Mastering the Business of Writing* keeps you mission-focused on your purpose-driven writing project and addresses such topics as time management, financing your book project, discovering your publishing personality, and how to write with a God resolve in mind. This book was specifically designed for Christian authors who desire excellence in their writing ministry while embracing their marketplace assignment to handle the business side of writing throughout the life of their book project.
