## **Beginnings Keys That Open The Gospels:**

Beginnings Morna Dorothy Hooker, 1997 This book is about the beginnings or prologues to the four canonical Gospels which refer to topics to be dealt with in what follows and offer guidance as to the particular way in which the author feels the rest of the book should be read The beginnings also contain significant hints as to what the end of the story will be Beginnings qualifies as a basic introduction to the contents of the Gospels and a helpful starting point for reading this literature Using the metaphor a key that opens the door Morna Hooker moves sequentially through Mark Matthew Luke and John as respectively a dramatic key a prophetic key a spiritual key and a glorious key **Beginnings** Morna D.

Hooker, 2010-01-01 This book is about the beginnings or prologues to the four canonical Gospels which refer to topics to be dealt with in what follows and offer guidance as to the particular way in which the author feels the rest of the book should be read The beginnings also contain significant hints as to what the end of the story will be Beginnings qualifies as a basic introduction to the contents of the Gospels and a helpful starting point for reading this literature Using the metaphor a key that opens the door Morna Hooker moves sequentially through Mark Matthew Luke and John as respectively a dramatic key a prophetic key a spiritual key and a glorious key The Temporal Mechanics of the Fourth Gospel Douglas Charles Estes, 2008-03-31 Spiritual but broken theological but flawed these are the words critics use to describe the Gospel of John Compared to the Synoptics John's version of the life of Jesus seems scrambled especially in the area of time and chronology But what if John's textual and temporal flaws have more to do with our implicit assumptions about time than a text that is truly flawed This book responds to that question by reinventing narrative temporality in light of modern physics and applying this alternative temporal lens to the Fourth Gospel From the singularity in the epic prologue to the narrative warping of event like objects this work explodes the elemental temporalities simmering below the surface of a spiritual yet superior Gospel text

**T&T Clark Handbook of Christology** Darren Sumner, Chris Tilling, 2025-06-26 This comprehensive work collects more than 30 essays from leading biblical scholars and systematic theologians to explore the person and work of Jesus Christ in a generously interdisciplinary manner From research foundations and method to the doctrine of the incarnation from the Trinity to the resurrection and from Christ's temptations to his high priestly prayer these essays seek to engage constructively with Scripture the history of Christian teaching and modern proposals and debates Together this international group of scholars engages such topics as Christ's preexistence his constitution as the God human his temptations and will the hypostatic union the prayer of John 17 the struggle in Gethsemane kenosis the two states and threefold office Spirit Christology impassibility and the cross resurrection and the diversity of the New Testament witnesses to him This is an indispensable volume for the study of Jesus Christ in the subject's biblical historical and doctrinal contours

Ethics in the Gospel of John Sookgoo Shin, 2018-10-02 In Ethics in the Gospel of John Sookgoo Shin seeks to challenge the dominant scholarly view of John's ethics as an ineffective and unhelpful companion for moral formation In order to

demonstrate the relevance of John's ethics Shin argues that the development of discipleship in John's Gospel should be understood as moral progress which was a well known moral concept in the ancient Mediterranean world Having drawn an ethical model from the writings of Plutarch this study aims to identify the undergirding ethical dynamic that shapes John's moral structure by bringing out the implicit ethical elements that are embedded throughout John's narratives and thus suggests a way to read the whole Gospel ethically and appreciatively of its literary characteristics

**The Four Gospels**  
 Christoph Rau, 2024-04-16 When a theologian speaks of the widespread misconception nowadays that faith is an intellectual holding of what is possible they underpin a wretched reduction of faith Since the interest of New Testament studies shifted to philosophical details the word of the Bible was treated intellectually thus shaking the foundation of faith in many people Christoph Rau Could a deeper cause of today's myriad human troubles be related to a dwindling or even nonexistent familiarity with the four New Testament Gospels of Matthew Mark Luke and John This is the view of Christoph Rau for whom today's prevailing approach to theological research which treats the ancient religious texts more as literary products than authentic records of spiritual experience is if anything a contributing factor in our modern alienation from the spirit In this book Rau presents the results of five decades of research demonstrating the independent structure of each of the four canonical Gospels Through clear analyses he illumines the distinctive stylistic features of each composition revealing the design principles through which the meaning and goal of each Gospel can be understood Beyond the intrinsic value of each Gospel the author draws on their special features to explain how the spiritual richness of the four written works is fully revealed only by considering the pre-Christian religions because each of the evangelists describes the incarnation of the Son of God from the perspective of his own mystery religion Furthermore the author succeeds in showing that the Gospels despite their seeming contradictions are elements of a common organism This book is a translation from German of *Die Vier um den Einen Wesensart und spiritueller Hintergrund der Evangelien* Verlag Dr Dieter Winkler 2008

*The Turning Point in the Gospel of Mark* Gregg S Morrison, 2015-02-26 Based on linguistic and thematic links in the narrative *The Turning Point* in the Gospel of Mark argues that the twin pericopae of Peter's confession 8:27-38 and the Transfiguration 9:2-13 together function as the turning point of the Gospel and serve in a Janus-like manner enabling the reader to see the author's main focus the identity of Jesus and the significance of that reality for his disciples Peter's confession of Jesus as Messiah faces backward toward the Prologue 1:1-13 and functions as a mid-course conclusion The declaration by God on the mountain faces forward and foreshadows the end-course conclusion 14:61-62 15:39 Son of God Jesus in response teaches that the Son of Man must suffer and die before being raised from the dead 8:31 Christologically the images of Messiah Son of Man and Son of God converge and present Jesus the crucified as king ushering in the kingdom of God in power 9:1 acting as the key swivel between the twin pericopae When one is confronted with this Jesus though there remains something elusive about him and the kingdom of God in the narrative the only wise decision after calculating the costs 8:34-38 is to follow

*Proclamation Commentary on the Gospels* David Bartlett, Henry Wansbrough, Morna D. Hooker, 2006 Contributors are from diverse communions Roman Catholic Anglican American Baptist and Methodist Scholarship and contemporary insights combined

*"But God Raised Him from the Dead"* Kevin Anderson, 2007-02-01 But God Raised Him from the Dead is the first comprehensive study of Jesus resurrection in Luke Acts Through wide sweeping research and detailed exegesis Dr Anderson supports the claim that the resurrection of Jesus is the focus of the message of salvation in Luke Acts The study situates Luke s resurrection theology within Jewish and Hellenistic conceptions of the afterlife and addresses critical questions in Lukan studies such as the relationship between resurrection ascension and exaltation and the vital linkage between Jesus resurrection the hope of Israel and the final resurrection of the dead But God Raised Him from the Dead demonstrates how the resurrection of Messiah Jesus is indispensable to the major theological dimensions of Luke s narrative of God s saving action Jesus resurrection is a key component in the divine plan to raise up the Savior for Israel to extend God s saving benefits to the ends of the earth and to guarantee the complete fulfillment of the hope of Israel and salvation of the people of God at the final resurrection of the dead

**The Gospel of the Christ** Thomas Lewis Stegall, 2009-07 The Gospel of the Christ is a clear biblical reply to the question of what a person must believe about Jesus Christ to possess eternal life While Christianity has historically maintained that faith in Jesus Christ is essential for everlasting life this raises the vital question what is the necessary content of this faith Written against the backdrop of the controversy within Free Grace circles over the crossless gospel and the contents of saving faith Thomas Stegall goes well beyond a carefully documented analysis of his own movement The Gospel of the Christ provides a systematic exegetically based treatment of biblical teaching on the subject of the gospel and the meaning of the title the Christ The end result is a comprehensive biblical and theological study of Jesus Christ s person and work in the contents of saving faith
