Being Transparent Luis A. Rodriguez, 2014-01-29 In my book Being Transparent my goal is to effectively explain how choices affected my life and how by allowing God to work in my life literally changed every aspect of it My hope is that Being Transparent will resonate with each reader and they can find true Spiritual value and substance in every word I pray that by example my life can be a bridge that might bring them closer in relationship to God In order to write this book I had to be vulnerable and transparent Even though my writing is far from perfect the miraculous things that God changed in my life are indeed incredible I hope that you find my story inspiring God bless you **Servant-Leadership** Dr. Robert J.

Gods of Our Religion Lawrence Crawford, 2013-09-06 Gods of Our Religion is a very deliberate conversation offering a for real look at the many images of God within America's Christian churches Whether you consider yourself a Christian atheist agnostic Jew Muslim or other religious designations Gods of Our Religion seeks to whet your appetite to know more about the inside of Christianity in America Humanistic culture and internal competition are redefining America's Christian church world Even so an authentic faith remains to be the connection that brings the heart of man to the heart of God Everyone believes something If you believe in nothing this nothing is the something in which you believe Either way something or nothing one has to press into their belief system in order to overcome the contrasting winds blowing in both directions America's Christian churches clearly illustrate the confusion that can occur when the cultural winds create a mixture of belief systems that supposedly have the same origin But do they Gods of Our Religion is an very direct message based on a personal journey where the heart the imaginary Many of the gimmicks sermons and methods used to promote life within the America Christian churches lend themselves to creating religious waves dressed in attractive and colorful clothes but with a quick realization of a spiritual deficit There is no doubt external forces are at work against Christianity in America But there is a bigger internal self inflicted conflict that veils the authentic faith we are meant to possess *Me, My Man, My Lord* Andrea Tootle, 2015-12-30 In writing this book I found direction and guidance from God in the name of Jesus by the Holy Spirit of God I always knew there was someone watching over me It wasn't until my then spouse gave me the Bible to read that I gained understanding about life through reading God's Word God drew me in quietly and with a loving heart He spoke to me through the words written in His Will the Holy Bible It is my hope this book will be a guidepost in the maturation of God's children Throughout life the enemy comes to kill steal and destroy but Jesus came that we might have life life more abundantly God is love and self love is very important because hurt people hurt people Romans 8 helps God's children walk in the Spirit of God and I hope this manuscript will offer a framework for our new nature in Christ Jesus for Believers Ephesians 4:11 It was He who gave some to be apostles some to be prophets some to be evangelists and some to be pastors and teachers 12 to prepare God's people for works of service so that the body of Christ may be built up 13 until we all reach unity in the faith and in the knowledge of the Son of God and become mature attaining to the whole measure of the fullness of Christ *God's Nudge* Tekisha D. Wimbush, 2022-05-07 Have you ever experienced God's Nudge The Nudge of God is that non verbal internal thought or that still audible voice you hear to guide you in the direction that is pleasing to His will Every
