Assessment Composition

Kindly note that the Foundation School examinations provide a final assessment of the student's satisfactory participation in, and completion of the Foundation School. The process is designed for every student's well equipping for a vibrant and glorious lifetime of Christian service. The Examinations are made up of the following Sections:

- **Section A: Class Attendance and Participation (30%)**
 - a. A Student must have attended all the Classes of the Foundation School including any special Sessions that may have been included to fully satisfy the Course Curriculum.
 - b. A Student must be in a Class for the full duration. If a Student arrives more than 15 minutes into a scheduled Class, he or she should retake the Class, or stay on beyond the Class to receive makeup for the portions missed earlier.
- **Section B: Completion and Submission of Class Assignments (30%)**
 - a. The prescribed Ministry Materials at the end of each Class are mandatory assignments to be completed by the next Class. If a Student doesn't complete them, he or she should tarry in that Class until completion, before advancing to the next Class. There should be no accumulation of uncompleted assignments.
 - b. The Take-home practical assignments for any Class should be completed satisfactorily before advancing to the next Class.
- **Section C: Final Examination Questions (40%)**
 - a. These are the Set of Questions to be answered in the Examination Hall, and are designed to test understanding and life time application of the learnings ministered during the Foundation School Classes.
