Business Politics Asias Financial Centres:

Business and Politics in Asia's Key Financial Centres J. J. Woo, 2015-12-14 This book provides unique insights into the politics of finance and the socio political relations which drive financial policymaking in Hong Kong Singapore and Shanghai While the existing literature in the field focuses mainly on economic explanations for financial centre development this book fills a gap by focusing on the socio political relations which underpin the financial policy making process Drawing on extensive interviews with senior policy makers and financial sector professionals the book describes how state industry relations drive financial policy making in three major financial hubs Insights and policy recommendations drawn from these interviews will be particularly useful for policy makers and financial sector professionals hoping to draw lessons from the successful development of the three leading Asian financial centres Business and Politics in Asia's Key Financial Centres draws on public policy theoretical frameworks for its analytical basis The three chapters focusing on the historical development of Hong Kong Singapore and Shanghai also provide a consolidated narrative with regard to the development of these three cities as leading financial centres while also serving as independent case studies Scholars focusing on policy processes and political factors that underpin financial sector development as well as instructors and students of public policy international political economy and financial sector policy will find this book useful for their research Competition among Financial Centres in Asia-Pacific Soogil Young, Dosoung Choi, Jesus Seade, Sayuri Shirai, 2009 Contents include an overview and policy recommendations case studies which include Australian content international perspectives and issues and findings

3-in-1: Governing A Global Financial Centre Jun Jie Woo, 2017-06-21 3 in 1 Governing a Global Financial Centre provides a comprehensive understanding of Singapore's past development and future success as a global financial centre It focuses on three transformational processes that have determined the city state's financial sector development and governance globalisation financialisation and centralisation and their impacts across three areas the economy governance and technology More importantly this book takes a multidimensional approach by considering the inter related and interdependent nature of these three transformational processes Just like the 3 in 1 coffee mix that is such an ubiquitous feature of everyday life in Singapore the individual ingredients of Singapore's success as a global financial centre do not act alone but as an integrated whole that manifests itself in one final product the global financial centre **The Evolution of the Asian Developmental State** J. J. Woo, 2018-09-03 Many East Asian states have undergone profound economic transformations over the last two decades Singapore and Hong Kong especially have adapted to shifting economic and technological conditions by transforming themselves into smart developmental states In these cities the proliferation of digital technologies has given rise to new growth sectors and opened up new areas of political contestation within these early proponents of the developmental state model Providing a theoretical and empirical discussion of the Asian developmental state model the book assesses the evolution of the developmental state model considers recent developments in the field and evaluates the

development state's continued relevance as a conceptual framework for understanding the politics of economic development. Focusing on digital and technology enabled economic activities in Hong Kong and Singapore, the author explores the various policies that allow developmental states to stimulate economic growth, ensure organizational coherence, and engage businesses and other stakeholders. This book will be of interest to scholars and researchers of political economy and economic development in Asia, as well as business professionals and other practitioners. **Singapore as an International Financial Centre** J. J. Woo, 2016-07-28

This book provides an analysis of Singapore's development and success as an international financial centre (IFC). Chapters demonstrate how Singapore plays a critical role in both Asian and global financial markets despite its relatively small geographic size. The author focuses specifically on the factors that have contributed to the city state's success and discusses the policy lessons that can be derived from it. The book describes the historical, spatial, political, and policy factors that contributed to Singapore's development as a leading Asian financial centre and global city, and will be of interest to both policy scholars and practitioners. **Governing Cities** Kris Hartley, Glen Kuecker, Michael

Waschak, Jun Jie Woo, Charles Chao Rong Phua, 2020-02-25 This book presents the latest research on three issues of crucial importance to Asian cities: governance, livability, and sustainability. Together, these issues canvass the salient trends defining Asian urbanization and are explored through an eclectic compendium of studies that represent the many voices of this diverse region. Examining the processes and implications of Asian urbanization, the book interweaves practical cases with theories and empirical rigor while lending insight and complexity into the towering challenges of urban governance. The book targets a broad audience including thinkers, practitioners, and students. **Building Urban Resilience** J. J. Woo, Debbie R.

Loo, 2024-04-24 This is one of the first few books to discuss the Covid-19 crisis as an urban phenomenon and illustrates this through the case of Singapore and its pandemic response efforts. The book describes the implications and impacts of the pandemic on Singapore's urban landscape, economy, and society. It also assesses the urban interventions that have emerged in response to the pandemic. It examines the spatial implications and challenges of delineating safe distancing in various public and commercial spaces and evaluates the effectiveness of these interventions. The book also explains how Singapore's smart city capabilities help with its Covid-19 response. This book will be of great interest to urban planners, healthcare professionals, and policymakers across the world, particularly those who are hoping to learn from the success and limitations of Singapore's Covid-19 responses. **Asian Imperial Banking History** Hubert Bonin, 2015-10-06

When European powers annexed parts of Asia, banking systems were an important part of that process. The essays in this edited collection are based on original research using primary sources in English, French, Russian, Chinese, and Japanese. The book as a whole provides new insights into banking in imperial Asia and a platform for further research. **Corporate Security in the Asia-Pacific Region** Christopher J. Cabbage, CPP, David J. Brooks, PhD, 2016-04-19

As corporations and governments become more litigious and risk averse, international risk management becomes more complex. **Corporate Security in the Asia-Pacific Region: Crisis, Crime**

Fraud and Misconduct examines real cases of corporate crisis crime fraud and other misconduct that corporate security professionals need to be aware of to effect *Finance, Rule of Law and Development in Asia* Jiaying Hu, Matthias Vanhullebusch, Andrew Harding, 2016-04-26 The financial markets of Hong Kong and Singapore are leading examples in Asian financial development and regulation Shanghai which is developing its Free Trade Pilot Zone is equally aiming to incorporate a sophisticated service market in order to upgrade reform and reinvigorate the current economic model of development in China in the aftermath of the global financial and economic crisis Streamlining administrative regulation is a precondition for its financial market to find root and play a central role in Asia and beyond Finance Rule of Law and Development in Asia offers a contextualized approach to the economic and political realities within Asian financial markets especially in these three different jurisdictions The volume adopts a comparative and precise account on the prospects and challenges in further developing these financial centres
