End of the CBC David Taras, Christopher Waddell, 2020-02-18 The End of the CBC is about three overlapping crises the crisis that has enveloped the CBC the crisis of news and the crisis of democracy They are all the result to some degree of the vast changes that have overtaken and consumed the media world in the last ten to fifteen years The emergence of platforms such as Google Facebook Twitter and Netflix the hyper targeting of individual users through data analytics the development of narrow online identity communities and the rise of an attention economy that makes it more and more difficult for any but the most powerful media organizations to be noticed have changed the media landscape in dramatic ways The effects on the CBC and on other Canadian media organizations have been shattering Describing the failure of successive governments to address problems faced by the public broadcaster this book explains how the CBC lost its place in sports drama and entertainment Taras and Waddell propose a way forward for the CBC one in which the corporation concentrates its resources on news and current affairs and re establishes a reputation for depth and quality

Layoverland Gabby Noone, 2021-01-19 A cheeky take on the afterlife brimming with sass angst and heart Christine Riccio New York Times bestselling author of *Again but Better* Beatrice Fox deserves to go straight to hell At least that s what she believes Her last day on Earth she ruined the life of the person she loves most her little sister Emmy So when Bea awakens from a fatal car accident to find herself on an airplane headed who knows where she s confused to say the least Once on the ground Bea receives some truly harrowing news she s in purgatory If she ever wants to catch a flight to heaven she ll have to help five thousand souls figure out what s keeping them from moving on But one of Bea s first assignments is Caleb the boy who caused her accident and the last person Bea would ever want to send to the pearly gates And as much as Bea would love to see Caleb suffer for dooming her to a seemingly endless future of eating bad airport food and listening to

other people's problems she can't help but notice that he's kind of cute and sort of sweet and that maybe despite her best efforts she's totally falling for him From debut author Gabby Noone comes a darkly hilarious and heartfelt twist on the afterlife about finding second chances first loves and new friendships in the most unlikely places **Crime in Progress** Glenn Simpson, Peter Fritsch, 2019-11-26 1 NEW YORK TIMES BESTSELLER I've read kind of all the books on this subject and this is the one you want to read Rachel Maddow Before Ukraine before impeachment This is the never before told inside story of the high stakes four year long investigation into Donald Trump's Russia ties culminating in the Steele dossier and sparking the Mueller report from the founders of political opposition research company Fusion GPS Fusion GPS was founded in 2010 by Glenn Simpson and Peter Fritsch two former reporters at The Wall Street Journal who decided to abandon the struggling news business and use their reporting skills to conduct open source investigations for businesses and law firms and opposition research for political candidates In the fall of 2015 they were hired to look into the finances of Donald Trump What began as a march through a mind boggling trove of lawsuits bankruptcies and sketchy overseas projects soon took a darker turn The deeper Fusion dug the more it began to notice names that Simpson and Fritsch had come across during their days covering Russian corruption and the clearer it became that the focus of Fusion's research going forward would be Trump's entanglements with Russia To help them make sense of what they were seeing Simpson and Fritsch engaged the services of a former British intelligence agent and Russia expert named Christopher Steele He would produce a series of memos which collectively became known as the Steele dossier that raised deeply alarming questions about the nature of Trump's ties to a hostile foreign power Those memos made their way to U.S. intelligence agencies and then to President Barack Obama and President elect Trump On January 10 2017 the Steele dossier broke into public view and the Trump Russia story reached escape velocity At the time Fusion GPS was just a ten person consulting firm tucked away above a Starbucks near Dupont Circle but it would soon be thrust into the center of the biggest news story on the planet a story that would lead to accusations of witch hunts a relentless campaign of persecution by congressional Republicans bizarre conspiracy theories lawsuits by Russian oligarchs and the Mueller report In *Crime in Progress* Simpson and Fritsch tell their story for the first time a tale of the high stakes pursuit of one of the biggest most important stories of our time no matter the costs *Summary of Traffic by Ben Smith: Genius, Rivalry, and Delusion in the Billion-Dollar Race to Go Viral* GP SUMMARY, 2023-05-04 DISCLAIMER This book does not in any capacity mean to replace the original book but to serve as a vast summary of the original book *Summary of Traffic by Ben Smith: Genius, Rivalry, and Delusion in the Billion Dollar Race to Go Viral* IN THIS SUMMARIZED BOOK YOU WILL GET Chapter astute outline of the main contents Fast simple understanding of the content analysis Exceptionally summarized content that you may skip in the original book Ben Smith's *Traffic* is the story of two online media rivals Jonah Peretti of HuffPost and BuzzFeed and Nick Denton of Gawker Media whose pursuit of attention at scale helped release the dark forces that would overtake the internet and American society It

explores one of the great ironies of our time the internet which was going to help the left remake the world in its image has become the motive force of right populism It is essential and enthralling reading to understand how we got here *Disney Adults* AJ Wolfe,2025-08-05 INSTANT NEW YORK TIMES BESTSELLER A fascinating and enlightening deep dive into the infamous Disney Adult community from the woman behind the popular website The Disney Food Blog Disney Adults are grown ups who derive singular almost obsessive joy from all things Disney They devote countless hours and millions of dollars to Disney offerings whether or not they have children They re avid fans of the films devotees of the Disney theme parks collectors of the vast world of Disney merchandise cosplayers who dress in clothing inspired by Disney characters Their ranks are so large and their cultural impact so distinct that they have their own moniker and are an economic force unto themselves They re often maligned in the larger culture and put on a particularly high pedestal of cringe But in truth their obsessive fandom hints at a universal desire for pleasure and joy for magic and escape There are darker sides to Disney mania that can t be ignored but the ranks of the Disney Adult community are broad deep and ever growing Disney Adults are a telling microcosm of modern America highlighting the value we place on magic and escapism and what we deem to be acceptable sources of joy Disney Adults dives deep into a misunderstood subculture exploring the lives and experiences of a fascinating community to better understand its devotees unwavering passion for all things Disney why it offends and why it matters
