The Counterfeit Coin Christopher Goetz, 2023-05-12 The Counterfeit Coin argues that games and related entertainment media have become almost inseparable from fantasy In turn these media are making fantasy itself visible in new ways Though apparently asocial and egocentric fantasy has become a key term in social contestations of the emerging medium At issue is whose fantasies are catered to who feels powerful and gets their way and who is left out

Critical Method and Contemporary Film Christopher K. Brooks, 2019-09-24 This volume offers film enthusiasts and teachers an investigation into what film critics do and examines what ideologies inform their evaluations By employing recent television programs and films and comparing them to older ones the study is able to trace changes in the methodologies of film and media critics The work argues for the emergence of neofuturism as a chosen method of interpretation contrasting with the dominance of postmodernism as the evaluative method through the early years of the new millennium It also asks the questions who evaluates film and why In doing so the study questions the criteria for film evaluation the validity of some reviews and asks the question whether the evaluative system needs to change altogether

The Book of Mac Donna-Claire Chesman, 2021-10-26 An album by album celebration of the life and music of Mac Miller through oral histories intimate reflections and critical examinations of his enduring work

One of my most vivid memories of him is the way he would look at you while he was playing you a song He tried to look you right in the eyes to see how you were feeling about it Will Kalsen friend and first manager Following Mac Miller's tragic passing in 2018 Donna Claire Chesman dedicated a year to chronicling his work through the unique lens of her relationship to the music and Mac's singular relationship to his fans Like many who'd been following him since he'd started releasing mixtapes at eighteen years old she felt as if she'd come of age alongside the rapidly evolving artist with his music being crucial to her personal development I want people to remember his humanity as they're listening to the music to realize how much bravery and courage it takes to be that honest be that self-aware and be that real about things going on internally He let us witness that entire journey He never hid that Kehlani friend and musician The project evolved to include intimate interviews with many of Mac's closest friends and collaborators from his Most Dope Family in Pittsburgh to the producers and musicians who assisted him in making his everlasting music including Big Jerm Rex Arrow Wiz Khalifa Benjy Grinberg Just Blaze Josh Berg Syd Thundercat and more These voices along with the author's commentary provide a vivid and poignant portrait of this astonishing artist one who had just released a series of increasingly complex albums demonstrating what a musical force he was and how heartbreaking it was to lose him As I'm reading the lyrics it's crazy It's him telling us that he hopes we can always respect him I feel like this is a message from him spiritually A lot of the time his music was like little letters and messages to his friends family and people he loved to remind them of who he really was Quentin Cuff best friend and tour manager
