Angry Birds Friendship Bracelets Rovio,2014-09-15 Learn to make eye catching friendship bracelets while you get to know the characters of Angry Birds Contains 50 different bracelet patterns **Angry Birds and Beehive Hair** Nancy J. Chovancek,2014-03 Nancy takes us on a journey through her childhood years with an Italian Polish upbringing and continues through the triumphs and tribulations of her adulthood with sarcastic humor and grace As we become immersed in Nancy s true life story telling it becomes obvious that she has a knack for humor in the most unexpected yet highly relatable moments that we all share in life Nancy takes us on a humorous and touching journey in which all stories have a common thread Life s absurdities show us that we are not alone for this wild ride Loving oneself for who you are and not what other s want you to become is imperative To quote William Shakespeare s Hamlet This above all To thine own self be true **What's Bugging Bailey Blecker?** Gail Donovan,2011-02-17 For fifth grader Bailey Blecker a classwide case of head lice is the worst thing that could happen She s been growing her hair to donate and she s determined or stubborn as her mom calls it not to cut it until it s long and lice free enough to be useful But lice are only the beginning of Bailey s troubles and in this classroom comedy the solution is full of twists and tangles With pitch perfect dialogue the right amount of humor and sympathy lots of action and an unfortunately familiar problem this middle grade comedy will leave kids itching for more The Boy in the Book Nathan Penlington,2014-05-22 When Nathan discovered a job lot of the first 106 adventures for sale on eBay there was never any question that he would place a bid When the books arrived he lost himself in the old adventures Yet as he flicked through the pages there was another story being written In the margins of each book were the scribbings of the little boy who had once owned them a little boy by the name of Terence John Prendergast Terence wrote jokes and hints for adventurers following the same stories as him More troubling among the notes were intimations of a tormented childhood of the boys and teachers who bullied him of the things he hated about himself and had to improve of his thoughts of suicide and his desperate need to find friends be liked and find somebody anybody to confide in THE BOY IN THE BOOK is Nathan s poignant recreation of the discovery of the fragments of Terence Prendergast s diary his quest to find the lost boy and the friendship that resulted from their first meeting In doing so Nathan is forced to examine his own childhood and as his relationship with Terence deepens he begins to believe that the two men are not so different and to reflect on the darkness that can exist in childhood The Linnet Bird Linda Holeman,2005-05-17 For you I will write of it all part truth part memory part nightmare my life the one that started so long ago in a place so far from here India 1839 Linny Ingram the respectable young wife of a British colonial officer settles down to write her life story In the claustrophobic mannered world of British India Linny seems the perfect society wife pretty gracious subservient But appearances can be deceptive Linny Ingram was born Linny Gow an orphan raised in the cold gray slums of Liverpool Sold into prostitution by her stepfather when she was only eleven Linny is a born survivor and an accomplished chameleon and manipulator Through a stroke of luck and

considerable scheming she manages to re create herself as a proper Victorian young lady middle class and seemingly respectable By befriending a merchant s daughter Linny secures a place with her new companion on a ship bound for India where they will join the fishing fleet young women of good birth but no fortune who sail to India in search of a husband India with its exotic colors sights and smells is a world away from the cold back alleys of Linny s childhood But even there she is haunted by her past and by the constant threat of discovery To secure her place in society she marries Somers Ingram a wealthy British officer with secrets of his own Soon Linny discovers that respectability and marriage bring a new kind of imprisonment as well as the same menace and violence that she thought she had escaped But Linny is not about to surrender easily In the lush tropics of India she finds not only the means for rebellion but also the love and freedom she never had in England We had been at sea almost four months Swallows swooped near the railings indicating land nearby Mrs Cavendish likened these busy twittering creatures to the dove with its olive branch She was right and within another day villages were spotted along the coast The water became noisy with dozens of tiny rocking boatloads of Indians Bumboat men Mrs Cavendish called them shouting to be heard over the cries of the villagers as they boasted of their merchandise hoping to sell coconuts bananas or tamarinds I hung over the railing watching as the natives threw ropes with baskets attached over the ship s side Some of the crew called down to them in a strange tongue that I couldn t identify putting coins into the baskets The baskets were lowered and then came up again filled with whatever the sailors had requested I longed to try the strange looking fruit but Mrs Cavendish with a slight shake of her head indicated that it would be beneath us to purchase anything in this way During the last few days as we grew ever closer to our destination excitement grew in me At first I attributed it to the beauty of the water and sun the flying fish sending little droplets of water onto the smooth sea but then realized it was something else I detected a difference in the atmosphere and whether it was the air itself or the degree of heat I couldn t say Perhaps the smells carried in the wind contributed to the unexplained breathlessness I experienced My nose filled with the strange smells of an unfamiliar populace the scents of unknown vegetation I felt as heady as I had when twirled in my first quadrille from The Linnet Bird
