Oathkeeper Marcus Richardson,2017-11-20 Some oaths must never be broken The world is in flames brought about by the Council's attempt to change the balance of power in the western world The weaponized Pandemic virus runs rampant across much of the globe but the United States has developed a vaccine Humanity was brought to the precipice of extinction and managed to survive But the situation is nowhere near resolved North Korea still occupies the west coast of the United States trapping millions of Americans behind enemy lines Two of those unfortunates are the wife and child of Charlie Marshal Navy SEAL and Cooper Braaten's executive officer Cooper swore an oath to rescue Charlie's family following the Battle of Tillcott Castle but there's two things that stand in his way the North Korean invasion force and their criminal allies and the fact that Cooper is no longer a Navy SEAL If he goes in he's going alone But none of that matters to Cooper He swore an oath to bring back Charlie's family or die trying and he's going to keep that oath No matter the adversity injury or fatigue Cooper will face the very worst of human nature in the form of gang lords who have risen up to rule the west in the

name of the North Koreans and there will a reckoning Cooper Braaten once one of America s elite warriors may no longer be a Navy SEAL but he is the Oathkeeper Oathkeeper is a riveting thrill ride opening the next chapter in Marcus Richardson s post apocalyptic Wildfire Saga **Extraction** Marcus Richardson,2018-10-20 Behind enemy lines danger lurks around every corner The world teeters on the edge of World War III Tensions are the highest between the US and Russia since the Cuban Missile Crisis Ambassadors on both sides have been recalled but the US Ambassador has gone missing Cooper Braaten is tasked with rescuing both the ambassador and his wife and returning them to America However if he s captured the US government will deny his very existence and a hostile Russian government isn t the only threat he faces the bratva a brotherhood of Russian mafia families has set their sights on the ambassador and will stop at nothing to capture him To make matters worse Jayne Renolds now the head of a multinational consortium wants the ambassador too but not for politics or personal gain Jayne wants revenge Cooper isn t alone though Danika Helstr m the top tier ex Council assassin and a legendary rebel known as the Chechen join forces with Cooper in an effort to bring down the forces that decimated so many innocents around the world Extraction is a high tech cloak and dagger military thriller that reads full throttle from page one Sequel to The Regent Extraction is the 6th book in Marcus Richardson s near future post apocalyptic series The Wildfire Saga **False Prey** Marcus Richardson,2014-11-30 Reporter Danny Roberts has a front row seat to the end of the world In the self quarantined town of Brikston Kentucky no one is allowed in and if you leave you can t come back no exceptions Danny watches the town descend into chaos as people face the threat of the weaponized flu It s especially dangerous for stranded motorist Thomas Sang who s just trying to get home Unfortunately for him the rest of the town is already convinced he s a North Korean spy trying to bring the weaponized flu to Brikston They ll do anything to protect their community But what if the enemy is already inside False Prey a 195 page NOVELLA takes place between the events depicted in Apache Dawn and The Shift
