Bulgakov's Apocalyptic Critique of Literature: An eventful history Derek J. Hunns, 1996 This study integrates Bulgakov's Jerusalem Narrative with all the themes of The Master and Margarita to discover what the author believes is Bulgakov's message in the novel. It explains the content and function of the four Jerusalem Chapters and shows that they are an essential part of the novel's theme. The study makes the chapters that rework the Gospels more intelligible for English readers.

SOUL HANGING BY A SILVER CORD Lamont-James Belisle Escoe Jr., 2025-08-06 On the 28th of October yours truly had been a participant in a meeting with other exorcists. There was discussion about being better at the expelling of omens. My mentor and other key specialized ministers were present. One of the members of this demon expelling group shared powerful insight about their coming to receiving Christ as their Lord and Savior. As we were engaged in the topic, this member shared how things within their life went from darkness to light. The member shared and testified about the delicate interval of time in life when the individual themselves did not know or even understand totally who Jesus Christ was. Some of you like me will have a general knowledge of God in a family upbringing that had been taught to us; however, not all families are linked with Godly things enough for their youth to have the capacity to distinguish from what is evil and what is not evil. **The Downside Review**, 1969
