Lesson 3 *The War in Europe*

Review Questions: Identifying Supporting Details

DIRECTIONS: Read each main idea. Use your textbook to supply the details that support or explain each main idea.

A. Main Idea: U.S. forces fought the Germans at sea and in North Africa, while the Soviets fought them at Stalingrad.

- Detail:** Roosevelt decided to invade Morocco and Algeria because experience and also help British troop. Generals Eisenhower and George Patton pushed German troops back in North Africa.
- Detail:** In the Atlantic, the Germans targeted US cargo ships in coastal waters. The navy set up a convoy system that greatly improved safety.
- Detail:** Hitler targeted the city of stalingrad in Russia to cut off the Soviet's from badly needed resources. The battle, which the soviets won, was a major turning point in the war.

B. Main Idea: After the Allied invasion of North Africa, the Allies made plans to strike Germany and Italy.

- Detail:** The Allied bombing campaign in Germany accomplished two things: it caused a severe oil shortage and wrecked the railroad system, and it destroyed many factories.
- Detail:** General Eisenhower commanded the invasion of Sicily with General Patton and British General Montgomery heading the ground forces.
- Detail:** The attack on Sicily caused Italy to surrender. In Italy, the Germans seized control of the fortified town of Cassino while the Allies landed at Anzio. Fighting in Italy lasted 5 months.
- Detail:** At the Tehran Conference, Roosevelt and Stalin agreed to divide germany after the war to prevent it from threatening world peace. Stalin also agreed to an peace orgnization after the war.

Grades 3-12** Alfred S. Lewerenz, 1927 *The Gramming Guide to English Grammar with Exercises* Péter Simon, 2016-01-05 The Gramming Guide to English Grammar is a resource book on the grammar of Standard British English It is intended for intermediate to advanced students of English as a second or foreign language who have already studied the basic grammar of English It covers the most important areas of English grammar and concentrates on structures which may cause difficulty at an intermediate level or above The book starts with a pretest that helps you identify the areas you need to work on The pretest is followed by eleven chapters broken down to a number of subchapters that each deal with a specific grammar point The related explanations are accompanied by real life sample sentences timeline diagrams tables and quotes If a similar point or the same point is discussed in a different part of the book you will find cross references to that point Where appropriate chapters begin with guiding questions and end with revision questions Most of the chapters are followed by exercises including multiple choice sentence transformation error correction gap filling and matching exercises as well as communicative tasks that can be done in language lessons At the end of the book there is an appendix which contains a list of the most common irregular verb forms and the most important spelling rules a list of the quotes that appear in the book and a glossary that defines grammatical terms frequently used in the

explanations The chapters in this book are not arranged in order of difficulty This way the book can be used for quick reference on specific points of interest as well as for systematic study either as a self study grammar book or as additional material in an ESL EFL course No matter which way you use the book it is recommended that you follow the cross references which will lead you to further information on a given item The exercises which come with suggested answers are best done using pen and paper These exercises will not only help you to practise grammar but also to tie grammatical forms to real world meaning
