**Artworld Metaphysics** Robert Kraut, 2010-04-08 Artworld Metaphysics turns a critical eye upon aspects of the artworld and articulates some of the problems principles and norms implicit in the actual practices of artistic creation interpretation evaluation and commodification Aesthetic theory is treated as descriptive and explanatory rather than normative a theory that relates to artworld realities as a semantic theory relates to the fragments of natural language it seeks to describe Robert Kraut examines emotional expression correct interpretation and objectivity in the context of artworld practice the relevance of jazz to aesthetic theory and the goals of ontology artworld and otherwise He also considers the relation between art and language the confusions of postmodern relativism and the relation between artistic critical practice and aesthetic theory

*Artworld Metaphysics* Robert Kraut, 2007-10-11 Robert Kraut turns a critical eye upon aspects of the artworld articulating problems principles and norms implicit in the actual practices of artistic creation interpretation evaluation and commodification Topics include emotional expression interpretation and objectivity the relevance of jazz to aesthetics and the goals of ontology *The Routledge Handbook of Metametaphysics* Ricki Bliss, J.T.M. Miller, 2020-07-14 Philosophical questions regarding the nature and methodology of philosophical inquiry have garnered much attention in recent years Perhaps nowhere are these discussions more developed than in relation to the field of metaphysics The Routledge Handbook of Metametaphysics is an outstanding reference source to this growing subject It comprises thirty eight chapters written by leading international contributors and is arranged around five themes The history of metametaphysics Neo Quineanism and its objectors Alternative conceptions of metaphysics The epistemology of metaphysics Science and metaphysics Essential reading for students and researchers in metaphysics philosophical methodology and ontology The Routledge Handbook of Metametaphysics will also be of interest to those in closely related subjects such as philosophy of language logic and philosophy of science **The Bloomsbury Companion to Aesthetics** Anna Christina Ribeiro, 2015-05-21 The Bloomsbury Companion to Aesthetics presents a practical study guide to emerging topics and art forms in aesthetics and the philosophy of art Placing contemporary discussion in its historical context this companion begins with an introduction to the history of aesthetics Surveying the central topics terms and figures and noting the changes in the roles the arts played over the centuries it also tackles methodological issues asking what the proper object of study in aesthetics is and how we should go about studying it Written by leading analytic philosophers in the field chapters on Core Issues and Art Forms cover four major topics the definition of art and the ontology of art work aesthetic experience aesthetic properties and aesthetic and artistic value specific art forms including music dance theatre the visual arts as a whole and the various forms of popular art new areas in aesthetics and the philosophy of art such as environmental aesthetics and global standpoint aesthetics as well as other new directions the field is taking towards everyday aesthetics Featuring a list of research resources and an extensive chronology of works in aesthetics and the philosophy of art dating from the fifth century BC to the 21st century The

Bloomsbury Companion to Aesthetics provides an engaging introduction to contemporary aesthetics **A Companion to Aesthetics** Stephen Davies, Kathleen Marie Higgins, Robert Hopkins, Robert Stecker, David E. Cooper, 2009-04-27 A COMPANION TO AESTHETICS This second edition of A Companion to Aesthetics examines questions that were among the earliest discussed by ancient philosophers such as the nature of beauty and the relation between morality and art while also addressing a host of new issues prompted by recent developments in the arts and in philosophy including coverage of non Western art traditions and of everyday and environmental aesthetics The volume also canvases debates regarding the nature of representation the relation between art and truth and the criteria for interpretation which are among the most hotly discussed topics in contemporary philosophy In this extensively revised and updated edition 168 alphabetically arranged articles provide comprehensive treatment of the main topics and writers in aesthetics Major additions include historical overviews from the prehistoric to the present and a section on the individual arts A Companion to Aesthetics will serve students of philosophy literary criticism and cultural studies as well as the educated general reader both as a work of reference and with its many substantial essays as a guide to the best thinking about the arts from the ancient Greeks to the dawn of the twenty first century The Palgrave Handbook of Philosophical Methods Christopher Daly, 2015-12-31 This Handbook contains twenty six original and substantive papers examining a wide selection of philosophical methods Drawing upon an international range of leading contributors it will help shape future debates about how philosophy should be done The papers will be of particular interest to researchers and high level undergraduates **Sellars and his Legacy** James R. O'Shea, 2016-06-09 This collection of new essays on the systematic thought and intellectual legacy of the American philosopher Wilfrid Sellars 1912 1989 comes at a time when Sellars s influence on contemporary debates about mind meaning knowledge and metaphysics has never been greater Sellars was among the most important philosophers of the twentieth century and many of his central ideas have become philosophical stock in trade for example his conceptions of the myth of the given the logical space of reasons and the clash between the manifest and scientific images of man in the world This volume of well known contemporary philosophers who have been strongly influenced by Sellars Robert Brandom Willem deVries Robert Kraut Rebecca Kukla Mark Lance John McDowell Ruth Millikan James O Shea David Rosenthal Johanna Seibt and Michael Williams critically examines the groundbreaking ideas by means of which Sellars sought to integrate our thought perception and rational agency within a naturalistic outlook on reality Topics include Sellars s inferentialist semantics and normative functionalist view of the mind his attempted reconciliations of internalist and externalist aspects of thought meaning and knowledge his novel nominalist account of abstract entities and a speculative pure process metaphysics of consciousness Of particular interest is how this volume exhibits the ongoing fruitful dialogue between so called left wing Sellarsians who stress Sellars s various Kantian and pragmatist defenses of the irreducibility of normativity and rationality within the space of reasons and right wing Sellarsians who defend the plausibility of Sellars s highly ambitious and
