Pennhurst and the Struggle for Disability Rights Dennis B. Downey, James W. Conroy, 2020-04-13 Conceived in the era of eugenics as a solution to what was termed the problem of the feeble minded state operated institutions subjected people with intellectual and developmental disabilities to a life of compulsory incarceration One of nearly 300 such facilities in the United States Pennhurst State School and Hospital was initially hailed as a model institution but was later revealed to be a nightmare where medical experimentation and physical and psychological abuse were rampant At its peak more than 3 500 residents were confined at Pennhurst supervised by a staff of fewer than 600 Using a blended narrative of essays and first person accounts this history of Pennhurst examines the institution from its founding during an age of Progressive reform to its present day exploitation as a controversial Halloween attraction In doing so it traces a decades long battle to reform the abhorrent school and hospital and reveals its role as a catalyst for the disability rights movement Beginning in the 1950s parent advocates social workers and attorneys joined forces to challenge the dehumanizing conditions at Pennhurst Their groundbreaking advocacy accelerated in 1968 by the explosive televised expos Suffer the Little Children laid the foundation for lawsuits that transformed American jurisprudence and ended mass institutionalization in the United States As a result Pennhurst became a symbolic force in the disability civil rights movement in America and around the world Extensively researched and featuring the stories of survivors parents and advocates this compelling history will appeal both to those with connections to Pennhurst and to anyone interested in the history of institutionalization and the disability rights movement
