Apocalypse of the Dead Joe McKinney,2010-11-01 And The Dead Shall Rise Two hellish years That s how long it s been since the hurricanes flooded the Gulf Coast and the dead rose up from the ruins The cities were quarantined the infected contained Any unlucky survivors were left to fend for themselves A feast for the dead And The Living Shall Gather One boatload of refugees manages to make it out alive but one passenger carries the virus Within weeks the zombie epidemic spreads across the globe Now retired U S Marshal Ed Moore must lead a group of strangers to safety searching for sanctuary from the dead A last chance for the living Let The Battle Begin In the North Dakota Grasslands bands of survivors converge upon a single outpost Run by a self appointed preacher of fierce conviction and frightening beliefs it may be humanity s only hope But Ed Moore and the others refuse to enter a suicide pact They d rather stand and fight in the final battle against the zombies An apocalypse of the dead One of those rare books that starts fast and never ever lets up a rollercoaster ride of action violence and zombie horror Bram Stoker Award winning author Jonathan Maberry on Dead City Gritty suspense You re gonna like this guy Tom Monteleone A rising star on the horror scene Fearnnet com [Thinking Dead](#) Murali Balaji,2013-09-26 Zombies are everywhere these days We are consuming zombies as much as they are said to be consuming us in mediated apocalyptic scenarios on popular television shows video game franchises and movies The zombie industry generates billions a year through media texts and other cultural manifestations zombie races and zombie themed parks to name a few Zombies like vampires werewolves witches and wizards have become both big dollars for cultural producers and the subject of audience fascination and fetishization With popular television shows such as AMC s The Walking Dead based on the popular graphic novel and movie franchises such as the ones pioneered by George Romero global fascination with zombies does not show signs of diminishing In The Thinking Dead What the Zombie Apocalypse Means edited by Murali Balaji scholars ask why our culture has becomes so fascinated by the zombie apocalypse Essays address this question from a range of theoretical perspectives that tie our consumption of zombies to larger narratives of race gender sexuality politics economics and the end of the world Thinking Dead brings together an array of media and cultural studies scholars whose contributions to understanding our obsession with zombies will far outlast the current trends of zombie popularity **Living with the Living Dead** Greg Garrett,2017 In Living with the Living Dead Greg Garrett shows that the zombie apocalypse has become an archetypal narrative for the contemporary world in part because zombies can represent a variety of global threats from terrorism to Ebola from economic uncertainty to mental illness But paradoxically this narrative also offers human beings a chance to find emotional and spiritual comfort these apocalyptic stories about individuals facing the imminent prospect of grisly death also offer us wisdom about living in community present us with real world ethical problems and invite us into a conversation about what it means to survive **Sanctuary from the Dead** R. J. Spears,2017-10-25 How can you retain your humanity when the undead rise Eight months ago Joel found his world turned upside down in the most

horrifying way The dead came back to life and started killing the living Within weeks zombies ruled the world In a small southern Ohio town Joel a twenty something slacker finds himself holed up with a group of survivors as they take refuge in a church Fighting the undead in a desperate attempt to survive they try to maintain some semblance of what makes us human In this grueling post apocalyptic world they discovered that while the undead are terrible the living can be just as merciless and even more deadly Sanctuary from the Dead tells the story of a group of survivors who desperately try to maintain their humanity as they try to survive in an undead world Contains adult language violence and gore Note This is a re release This book has been re edited and revised with all new content *The Walking Dead and Philosophy* Wayne Yuen,2012 The Walking Dead is both a hugely successful comics series and a popular TV show This epic story of a zombie apocalypse is unique It focuses on the long term individual social and moral consequences of survival by small groups of humans in a world overrun by infected zombies Guns chainsaws and machetes are not enough for survival humans also need agreement on rules of conduct Can equality or fairness have any place in the post apocalyptic world Do theft or even assault and murder become okay under desperate circumstances Who should be recognized as having political authority What about eating human flesh Should survivors have children **The Fate of the Dead** Richard Bauckham,2014-04-09 These studies focus on personal eschatology in the Jewish and early Christian apocalypses The apocalyptic tradition from its Jewish origins until the early middle ages is studied as a continuous literary tradition in which both continuity of motifs and important changes in understanding of life after death can be charted As well as better known apocalypses major and often pioneering attention is given to those neglected apocalypses which portray human destiny after death in detail such as the Apocalypse of Peter the Apocalypse of the Seven Heavens the later apocalypses of Ezra and the four apocalypses of the Virgin Mary Relationships with Greco Roman eschatology are explored Several chapters show how specific New Testament texts are illuminated by close knowledge of this tradition of ideas and images of the hereafter Worse Than Dead Cal Brett,2020-11-20 Do you know anyone who could survive the zombie apocalypse How about you Worse Than Dead is the story of two regular people who have beaten the odds so far Kelly and Rob witnessed the fall of civilization and are barely surviving in a city overrun by the ravenous reanimated dead Every day presents a new challenge and the hungry ghoulish corpses wandering the streets aren't their only problem Food is scarce infrastructure is collapsing technology is gone and the few other remaining people can be a greater threat than the dead Surviving after the rise of the undead hordes means constantly running hiding and when there are no other options fighting Kelly and Rob decide they want something more from life if they can only live long enough to figure out what that is But being alive in the zombie apocalypse is a condition that can change in an instant and often does **The Bible and the Dead Sea Scrolls: Scripture and the scrolls** James H.
