Fritzie Amy Absher, 2023-09-19 One January day in 1923 a young boy came across the dead body of a twenty year old woman on a San Diego beach When the police arrived on the scene they found the woman's calling card which read simply I am Fritzie Mann Yet Fritzie's identity as revealed in this compelling history was anything but simple and her death eventually ruled a homicide captured public attention for months In Fritzie historian Amy Absher reveals how broader cultural forces including gendered violence sexual liberation and evolving urban conditions in the American West shaped the course of Mann's life and contributed to her tragic death Frieda Fritzie Mann had several identities during her brief life and the

mysterious circumstances of her death raise as many questions as they do answers She was born in 1903 near the present border between Poland and Ukraine She and her family were Jewish immigrants who traveled to San Diego to find security and prosperity In the last year of her life Mann became locally famous She had reinvented herself as a flapper and Oriental dancer She claimed to have friends in Hollywood and a movie contract On the night of her murder she said she was going to a party to meet her Hollywood friends instead she traveled to an isolated roadside hotel where she met her death An autopsy revealed that she was four and a half months pregnant Absher guides the reader through the intricacies of this true crime story as it unfolded from the initial flawed investigation to the sensationalized press coverage and the ultimate failure of the legal system to ensure justice on Mann s behalf Like other new women of her era Fritzie Mann adopted roles that promised liberation from the control of men In the end her life and early death suggest the opposite she became the victim of a culture that consumed women even as it purported to celebrate them *Downton Abbey and Philosophy* Adam Barkman,Robert Arp,2015-10-19 In *Downton Abbey and Philosophy* twenty two professional thinkers uncover the deeper significance of this hugely popular TV saga Millions of viewers throughout the world have been enthralled by this enactment of a vanished world of decorum and propriety because it presents us with emotional and interpersonal problems that remain urgent for people in the twenty first century Why do we attach such importance to our memories and to particular places What do war and epidemics tell us about life in peacetime and in good health Is it healthy or harmful for people to feel that they know their place What does *Downton Abbey* teach us about the changes in women s roles since 1912 Do good manners always agree with good morals How can everybody know what no one will talk about What s the justification for a class of people who pride themselves on not having a job Should we sometimes just accept the reality of social barriers to love and abandon the pursuit What happens when community reinforces oppression All of these and many other issues are discussed through a detailed examination of the actual characters and situations in *Downton Abbey* **Ballyhoo!** Jon Langmead,2024-01-29 *Ballyhoo! The Roughhousers Con Artists and Wildmen Who Invented Professional Wrestling* is a history of professional wrestling s formative period in the U S from roughly 1874 to 1941 and the contested interplay of wrestlers and promoters who built the sport as we know it During this period the major conventions that would define wrestling to the present day were perfected and codified as wrestling morphed from a rough sport practiced on farms and at town gatherings to melodramatic mass entertainment that reliably drew large crowds in cities across the nation The narrative uses the life and career of Jack Curley a boxing promoter whose fortune took a turn for the better when he began promoting wrestling matches as a compass as it charts the development of wrestling By the late 1910s Curley s shows were selling out Madison Square Garden monthly *Ballyhoo!* chronicles his competition with the other promoters as well as the lives of colorful athletes like Strangler Ed Lewis Frank Gotch the Masked Marvel Jim Londos Gorgeous George Wagner Farmer Martin Burns and Dynamite Gus Sonnenberg
