Islamic Minorities of South Asia Nadeem Hasnain, 2025-09-05 Islam and Islamicate South Asia have generated interest since 9 11 as never before However Islamic Minorities specifically is still a relatively neglected area of study in South Asian Islam It may be due to the reason that there has been a tendency to look at Islam as a monolithic faith and Muslims as a monolithic population to the western world This book focuses on such Islamic Minorities as the Shias dominant Isna Ashari Twelver Shias Ismaili Khoja Dawoodi Bohra and Ahmedia Qadiyani communities and looks at them from the perspective of their interaction with Hindu cultures and traditions Written in lucid language from a sociological perspective it should be an important contribution to the field of Lived Islam or Islam in Practice This book will be invaluable to all those interested in the religion society and culture of Muslim South Asia

No Birds of Passage Michael O'Sullivan, 2023-09-19 No Birds of Passage explores the remarkable business success of three Gujarati Muslim commercial castes the Bohras Khojas and Memons Often stereotyped as Westernized and as Hindus in all but name these groups are better seen as having developed a distinctive Muslim capitalism in which religious and commercial prerogatives are inseparable
