Busy Elephants John Schindel, 2011-02-22 Stunning photographs of wild African elephants are paired with rhyming toddler appropriate action verbs Babies and toddlers will delight in seeing elephants of all sizes in their natural habitat as they romp stomp stretch step splash dash and more This is the 14th book in the popular Busy Book series Elephant Jam Sam Jasper, 2013-12-10 Eleven year old twins Demi and Semmy are haunted by a different yet familiar sound They thought they knew all the sounds as music is a big part of their lives So who or what is making this disturbing sound Can their great grandmother help solve the mystery Or do they have to be brave and find this strange musician on their own If the twins are brave what will happen to them if they befriend this stranger Could it change their lives forever There is only one way to find out Inseminating the Elephant Lucia Perillo, 2012-12-18 Inseminating the Elephant is a collection of poems often laced with humor that examines popular culture the limits of the human body and the tragicomic aspects of everyday experience Pulitzer Prize finalist citation These poems are tough and witty The New Yorker Whoever told you poetry isn't for everyone hasn't read Lucia Perillo Time Out New York A 2009 Pulitzer Prize finalist Inseminating the Elephant delivers hard edged yet vulnerable poems that reconcile the comic impulse with the complications and tragedies of living in the eating and breathing body what Lucia Perillo calls the meat cage Perillo dissects human failings and sexuality as well as collisions between nature and the manufactured world to create an unforgettable poetic vision How the zoologists start is by facing the mirror of her flanks that foreboding luscious place where the gray hide gives way to a zeroing in of skin as vulnerable as an orchid Which is the place to enter provided you are brave brave enough to insert your laser guided camera to avoid the two false openings of her vestibule much like the way of entering death of giving birth to death calling it forth as described in the Tibetan Book Lucia Perillo graduated from McGill University in Montreal and worked for the US Fish and Wildlife Service She completed her MA in English at Syracuse University and has published five books of poetry She was a MacArthur Fellow in 2000 and finalist for the Pulitzer Prize in 2009 She lives in Olympia Washington **Elephants on Roller Skates** Peter Sheldrake, 2013-05-17 We have all learned to acknowledge the elephant in the room the unspoken issue that is affecting our ability to move forward However after getting the issue into the open time passes and we begin to stop paying close attention to the issue It begins to slip away from us while still affecting our views and our behaviour The elephant in the room has become an elephant on roller skates This book looks at some familiar issues that we seem to notice for a while and then stop subjecting to careful consideration they range from the free market telling the truth and liberty through to more personal issues concerned with mutual respect entitlement and our willingness to give way to the opinions of others There are many such escaped elephants out there This is both an introduction to some of these issues and an encouragement for you to become an elephant spotter Good luck *Reading with Babies, Toddlers and Twos* Susan Straub, KJ Dell'Antonia, 2013-05-07 It's never too early or too late to start sharing books with your baby Reading is one of the first activities you can enjoy with

your child and Reading with Babies Toddlers and Twos gets you started Instill a love for reading early by answering questions such as Which books will a newborn baby enjoy What do you buy after you ve read Goodnight Moon Are eBooks and apps appropriate for young children Can I make up a story to tell my child What are the best collections of fairy tales fables and other classic stories A parenting resource to help with early learning and literacy Straub Dell Antonia and Payne use their decades of experience as parents book reviewers and children s librarians to bring you the very best in children s books so you ll never run out of ideas for reading with your baby An accessible and enjoyable guide this book is a go to resource Traci Lester executive director Reach Out and Read of Greater New York **Entertaining Elephants** Susan Nance,2013-03-27 How the lives and labors of nineteenth century circus elephants shaped the entertainment industry Consider the career of an enduring if controversial icon of American entertainment the genial circus elephant In Entertaining Elephants Susan Nance examines elephant behavior drawing on the scientific literature of animal cognition learning and communications to offer a study of elephants as actors rather than objects in American circus entertainment between 1800 and 1940 By developing a deeper understanding of animal behavior Nance asserts we can more fully explain the common history of all species Entertaining Elephants is the first account that uses research on animal welfare health and cognition to interpret the historical record examining how both circus people and elephants struggled behind the scenes to meet the profit necessities of the entertainment business The book does not claim that elephants understood endorsed or resisted the world of show business as a human cultural or business practice but it does speak of elephants rejecting the conditions of their experience They lived in a kind of parallel reality in the circus one that was defined by their interactions with people other elephants horses bull hooks hay and the weather Nance s study informs and complicates contemporary debates over human interactions with animals in entertainment and beyond questioning the idea of human control over animals and people s claims to speak for them As sentient beings these elephants exercised agency but they had no way of understanding the human cultures that created their captivity and they obviously had no claim on human social and political power They often lived lives of apparent desperation Rataplan, a Rogue Elephant Ellen Velvin,1902 *Everybody's Magazine* ,1921

Elephant on the Chips Paddy Rao,2013-11-21 What does an eight year old do when he suddenly find his father dead in the middle of a busy school day From that life stopping event he starts his very long journey in life After running for fifty years and million miles Paddy Rao sits down to share the exciting story A story so interesting and exciting it reminds the readers of Magellan some times and Pilgrims on Mayflower other times Helped by two women of his life he sets out to take the lifes challenges head on and confronts it with a set of paradox Principles The principles that are common for every one as they were derived from a common life not from Ivy League schools What is a story from India without a Yogi Guided by a young Yogi he travels to meet an amazing guru who mentors him through silence and pushes him in a life long quest for self discovery that never ends Triggered by a blizzard in Boston this busy Infosys senior executive shares his interesting story

The Elephant in the Classroom Stumpf, 2014-11-04 So the other day I was talking with Ashley toward the end of class and mentioned she'd been absent a lot so I asked if she had been ill She said No We've been getting the place ready for my parents They're coming home Really I was a bit puzzled Yeah she said I pick dad up from prison on Monday and mom on Wednesday When a kid walks into class he or she is carrying baggage This is the reality The most important thing for teachers to teach kids is that learning is fun and that they can do it If they don't learn this it doesn't matter what else is taught Someone Else's Problem just walked in your classroom With apologies to Douglas Adams's The Hitchhiker's Guide to the Galaxy They don't cover this kind of thing in education classes in college and they also don't tell you about students coming to school hungry for food or love To assume that your job as a teacher is just to teach subject matter is like a blind man describing an elephant The Elephant in the Classroom was walking the halls of Columbine
