Arcana imperii Luigi Grassia, 2020-10-26T00:00:00+01:00 Da Stalin a Putin nei suoi centouno anni di vita George F Kennan stato dapprima l'eminenza grigia della politica estera americana e poi il suo critico più autorevole pur restando sempre ben addentro agli arcana imperii di Washington Oggi il mondo pericoloso del XXI secolo i rapporti fra Occidente e Russia e le sfide della geopolitica si possono leggere alla luce delle analisi e delle prescrizioni di Kennan affiancate da quelle di Henry Kissinger di Niall Ferguson e degli altri esponenti della corrente realista delle relazioni internazionali

Princeton Alumni Weekly, 2009 *Encyclopedia of the Cold War* Ruud van Dijk, William Glenn Gray, Svetlana Savranskaya, Jeremi Suri, Qiang Zhai, 2013-05-13 Between 1945 and 1991 tension between the USA its allies and a group of nations led by the USSR dominated world politics This period was called the Cold War a conflict that stopped short of a full blown war Benefiting from the recent research of newly open archives the Encyclopedia of the Cold War discusses how this state of perpetual tensions arose developed and was resolved This work examines the military economic diplomatic and political evolution of the conflict as well as its impact on the different regions and cultures of the world Using a unique geopolitical approach that will present Russian perspectives and others the work covers all aspects of the Cold War from communism to nuclear escalation and from UFOs to red diaper babies highlighting its vast ranging and lasting impact on international relations as well as on daily life Although the work will focus on the 1945-1991 period it will explore the roots of the conflict starting with the formation of the Soviet state and its legacy to the present day **George F. Kennan and the Origins of Containment, 1944-1946** George Frost Kennan, John Lukacs, 1997 These letters show Kennan's fear of the extent to which the United States misunderstood the Soviet regime Especially in 1944 at the time of the Russians' betrayal of the Warsaw Uprising it became evident that the Soviets were interested in establishing their rigid domination of Eastern and Central Europe and dividing the continent George F. Kennan Walter L. Hixson, 1989 Kennan embodied the contradictions of Cold War anti communism and a distrust of democracy particularly as expressed in American anti communist hysteria Kennan later moved toward a realist perspective shedding ideology and addressing himself to the practical issues of detente and arms control This intellectual biography will serve general readers as well as students and scholars Excellent notes and bibliography Annotation copyrighted by Book News Inc Portland OR **Mr. X and the Pacific** Paul J. Heer, 2018 George F Kennan is well known for articulating the strategic concept of containment which would be the centerpiece of what became the Truman Doctrine During his influential Cold War career he was the preeminent American expert on the Soviet Union In *Mr. X and the Pacific* Paul J Heer explores Kennan's equally important impact on East Asia Heer chronicles and assesses Kennan's work in affecting U S policy toward East Asia By tracing the origins development and bearing of Kennan's strategic perspective on the Far East during and after his time as director of the State Department's Policy Planning Staff from 1947 to 1950 Heer shows how Kennan moved from being an ardent and hawkish Cold Warrior to by the 1960s a prominent critic of

American participation in the Vietnam War Mr X and the Pacific provides close examinations of Kennan s engagement with China both the People s Republic and Taiwan Japan Korea and Vietnam Country by country analysis paired with considerations of the ebb and flow of Kennan s global strategic thinking result in a significant extension of our estimation of Kennan s influence and a deepening of our understanding of this key figure in the early years of the Cold War In Mr X and the Pacific Heer offers readers a new view of Kennan revealing his importance and the totality of his role in East Asia policy his struggle with American foreign policy in the region and the ways in which Kennan s legacy still has implications for how the United States approaches the region in the twenty first century Reflections on George F. Kennan F. Joseph Dresen,2008 *George F. Kennan and the Origins of the Cold War* Anne McMurchy,1979 The Haw and the Dove Nicholas Thompson,2010 George F.
