Singleton-Gates,2015-07-11 Excerpt from Bolos Barishynas Being an Account of the Doings of the Sadleir Jackson Brigade and Altham Flotilla on the North Dvina During the Summer 1919 For all the sins of omission and commission that this little book reveals I crave forgiveness With the materials that came to my hand I have endeavoured to weave a chronicle of the events that occurred on the Dvina in the memorable summer of 1919 I proffer my sincerest thanks to all those officers and men who produced the narratives without which it would have been impossible to write this history To General L de V Sadleir Jackson C B C M G D S O Captain Edward Altham C B R N Colonel H H Jenkins C M G D S O Colonel C S Davies C M G D S O Major A E Percival D S O M C and Captain S F Pickering I am especially indebted for their valuable help and guidance To the Editor of Blackwood s Magazine I am particularly grateful for permission to take extracts from The Little Adventure If this little book succeeds as I hope it will in reviving the memory of the Dvina days to those who served in North Russia then indeed I shall feel that my work has not been in vain About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Bolos & Barishynas* G. Communications and British Operations on the Western Front, 1914-1918 Brian N. Hall,2017-06-07 This is an important new study examining the military operations of the British Expeditionary Force in 1914-18 through the lens of its communications system Brian Hall charts how new communications technology such as wireless telephone and telegraph were used alongside visual signalling carrier pigeons and runners as the British army struggled to develop a communication system adequate enough to wage modern warfare He reveals how tenuous communications added to the difficulties of command and control during the war's early years and examines their role during the major battles of the Somme Arras Ypres and Cambrai It was only in 1918 that the British army would finally develop a flexible and sophisticated communications system capable of effectively coordinating infantry artillery tanks and aeroplanes This is a major contribution to our understanding of British military operations during the First World War the learning processes of armies and the revolution in military affairs The Russian Revolution and Civil War 1917-1921 Jonathan Smele,2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917-1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state *Churchill's Secret War With Lenin* Damien Wright,2017-07-27 An account of the little known involvement of Royal Marines as they engaged the new Bolsheviks immediately after the Russian Revolution After three years of great loss and suffering on the Eastern Front Imperial Russia was in crisis and on the verge of revolution In November 1917 Lenin's Bolsheviks later known as Soviets seized power signed a peace treaty with the Central Powers and brutally murdered Tsar Nicholas British King George's first cousin and his children so there could be no return to the old order As Russia fractured into loyalist White and revolutionary Red factions the British government became increasingly drawn into the escalating Russian Civil War after hundreds of thousands of German troops transferred from the Eastern

Front to France were used in the 1918 Spring Offensive which threatened Paris What began with the landing of a small number of Royal Marines at Murmansk in March 1918 to protect Allied donated war stores quickly escalated with the British government actively pursuing an undeclared war against the Bolsheviks on several fronts in support of British trained and equipped White Russian Allies At the height of British military intervention in mid 1919 British troops were fighting the Soviets far into the Russian interior in the Baltic North Russia Siberia Caspian and Crimea simultaneously The full range of weapons in the British arsenal were deployed including the most modern aircraft tanks and even poison gas British forces were also drawn into peripheral conflicts against White Finnish troops in North Russia and the German Iron Division in the Baltic It remains a little known fact that the last British troops killed by the German Army in the First World War were killed in the Baltic in late 1919 nor that the last Canadian and Australian soldiers to die in the First World War suffered their fate in North Russia in 1919 many months after the Armistice Despite the award of five Victoria Crosses including one posthumous and the loss of hundreds of British and Commonwealth soldiers sailors and airmen most of whom remain buried in Russia the campaign remains virtually unknown in Britain today After withdrawal of all British forces in mid 1920 the British government attempted to cover up its military involvement in Russia by classifying all official documents By the time files relating to the campaign were quietly released decades later there was little public interest Few people in Britain today know that their nation ever fought a war against the Soviet Union The culmination of more than 15 years of painstaking and exhaustive research with access to many previously classified official documents unpublished diaries manuscripts and personal accounts author Damien Wright has written the first comprehensive campaign history of British and Commonwealth military intervention in the Russian Civil War 1918 20 Allied intervention in the Russian Civil War remains forgotten Wright s book addresses that oversight interspersing the broader story with personal accounts of participants Military History Magazine *Australia's Lost Heroes* Damien Wright, 2024-05-01 This extraordinary book is both an engaging military history and an enthralling mystery Australia s Lost Heroes tells the astonishing little known story of the Australian soldiers who fought the Red Army in Russia in 1919 and the personal odyssey 100 years later to locate and identify the lost grave of Victoria Cross hero Sergeant Samuel Pearse VC MM The Anzac volunteers fought an arduous campaign punctuated by fierce ambushes in thick forest swamps and marshes and attacks on fortified bunkers They also had to fight a war within avoiding the treachery and mutiny of White Russian allies Remarkably two Australians were awarded the Victoria Cross one posthumously Yet unlike the reverence recognition and commemoration afforded to WWI soldiers not only do the deeds of Anzacs in Russia remain unrecognized their graves lie lost and forgotten Follow the author s journey to a remote corner of Russia with the grandson of Samuel Pearse in the hope of identifying the lost grave Guided by a Russian battlefield archaeologist they discover an astonishing clue which may resolve the mystery of an Australian hero missing for 100 years An extraordinary story of national importance dedicated to those forgotten Australian heroes who fought and died in Russia
