Bone Broth Power Greg Cleland, 2015-12-25 Our ancestors had better longevity and prolonged youth primarily because they led a far more healthy and natural lifestyle than ours Nowadays we often focus on advanced technology speed and exotic taste without paying much attention to the way in which the food we eat can affect our health Bone broth is one of those sources of health energy and longevity we have forgotten about This book is your guide to tapping into the ancestral wisdom that considered this simple food to be an elixir for staying young or getting your energy and vitality back By far one of those metaphoric hidden treasures that many people ignore until they actually experience their amazing benefits bone broth is your key to increased immunity a better control of aging processes and last but not least to an enhanced sexual life This food is recommended especially to people who are aging or prone to feeling weak and sick often However its power is immense regardless of age so there is practically nobody who could have reasons not to include it in their daily routines In this book you discover not only why you should use bone broth to support your energy levels or many detoxification processes in your body but also how you are supposed to prepare it and enjoy exquisite taste Essentially bone broth is the food you need if you are searching for an elixir that can reverse grey hair and bring back morning wood While bone broth is not exactly the Greek ambrosia and cannot turn you into an immortal god it does indeed act as a magic potion upon your body If you look in the mirror and you would like your youth to linger or if you want to feel stronger and revitalized every morning bone broth is your secret weapon and this book is your path to it *Spirit of the Times and the New York Sportsman* ,1868 Appletons' *Journal of Literature, Science and Art* ,1872 Philip in Search of a Wife Epes Sargent,1843 *The Illustrated London News* ,1844 The Republic of Letters ,1834 **The Republic of Letters** Mrs. A.
