## **Bonhoeffer's Black Jesus Harlem Renaissance Theology And An Ethic Of Resistance:**

**Bonhoeffer's Black Jesus** Reggie L. Williams, 2014 This ethic of resistance not only indicted the church of the German Volk but continues to shape the nature of Christian discipleship today Courtney H Davis St Bernard s School of Theology and Ministry Journal of the Society of Christian Ethics *Dietrich Bonhoeffer's Ethics of Formation* Ryan Huber, 2020-05-19 Dietrich Bonhoeffer is many things to many people committed pacifist reluctant revolutionary Protestant saint but in Dietrich Bonhoeffer s Ethics of Formation Ryan Huber argues that Bonhoeffer should be engaged as a Christian ethicist of formation Huber demonstrates that formation lies at the heart of Bonhoeffer s ethical project and personal story providing a third way between virtue and character ethics in contemporary Christian thought concerned with moral growth **Luther, Bonhoeffer, and Public Ethics** Michael P. DeJonge, Clifford J. Green, 2018-09-15 Prompted by the 2017 commemoration of the 500th anniversary of the Protestant Reformation this book examines the legacy of Martin Luther in the life work and reception of Dietrich Bonhoeffer the most widely read modern Lutheran theologian Framing the commemoration of the Reformation in conversation with Bonhoeffer s legacy places much more than Bonhoeffer s connection to Luther at stake Given the fraught relationship of the Lutheran Bonhoeffer with the German Protestant Church under National Socialism the question inevitably arises What happened to Luther s church in Germany This in turn prompts the question How did the Protestant tradition play out in public life in other nations And these historical issues in turn encourage reflection on a question that exercised both Luther and Bonhoeffer What will be the shape of the church in the future In these pages an international group of scholars and practitioners from both church and state pursues these questions *Dietrich Bonhoeffer and a Theology of the Exception* Kevin O'Farrell, 2023-11-30 Engaging with the many debates about the meaning and character of Bonhoeffer s late resistance theology and action particularly as it relates to his participation in the attempted coup d tat against Hitler this book attends to Bonhoeffer s understanding of the exception Resisting the common reduction of the exception to a political or ethical concept O Farrell argues that the exception for Bonhoeffer is an extraordinary moment in history that disarms persons impinging on one s understanding of politics and ethics Through a wide engagement with the Bonhoeffer corpus this book claims that this leads to distinctive narrations of key concepts in Bonhoeffer s corpus responsibility the free venture simple obedience and action beyond the law It also offers a different portrait of Bonhoeffer to contemporary narrations The Bonhoeffer that emerges is neither a Niebuhrian realist a pacifist or a religious fanatic but one who is impelled to act apart from the law without this action becoming arbitrary This Bonhoeffer provides a hopeful political witness that seeks a world beyond the conflicts and divisions of this age **The Routledge Companion to Christian Ethics** D. Stephen Long, Rebekah L. Miles, 2023-01-01 The Routledge Companion to Christian Ethics brings together two different but related disciplines the first is contemplative or theoretical asking what are the beliefs or doctrines that characterize Christianity whilst the second is practical asking what are the ethical practices that attend its teachings The

movement between the theoretical and practical aspects is not however one way as doctrine and life are mutually informing In this comprehensive volume leading scholars address key topics problems and debates in this hotly debated topic within a truly global context Comprising over 35 chapters by a team of international contributors the handbook is divided into three parts based on the three persons of the Trinity God the Father God the Son and God the Holy Spirit Within these sections cutting edge issues are examined including God and genetics War peace and violence White supremacy Creation and sexuality Digital ethics Transgender studies Climate change Immigration and refugees Adopting a practical approach that must consider new concerns that have arisen with recent social political and cultural shifts The Routledge Companion to Christian Ethics is essential reading for students and researchers in Christian ethics religious ethics and Christianity studies The handbook will also be very useful for those in related fields such as ethics and philosophy

The Spirit of Polyphony  
Joanna Tarassenko,2024-01-25 This book re examines how Bonhoeffer employs musical patterns of thought and language to a theological end It outlines how the significance of Bonhoeffer s musico theology has not been sufficiently recognised and sets the stage for a rigorous re examination It becomes clear that through the lens of his musical metaphor of polyphony Bonhoeffer demonstrates how his account of Christian formation contains a latent pneumatology Tarassenko demonstrates that incorporation of this pneumatology is key in deepening one s understanding of Bonhoeffer It allows the relationship between Christology and Christian formation in Bonhoeffer s thought to become fully realised The appeal to polyphony articulates this pneumatology as an indirect but nevertheless exceedingly successful means of contouring an account of the Spirit s work
