Boxing, Narrative and Culture Sarah Crews, P. Solomon Lennox, 2023-10-16 *Boxing Narrative and Culture Critical Perspectives* is the first interdisciplinary response to the dominant boxing narratives that are produced performed and circulated in commercial boxing culture This collection includes global perspectives on boxing It highlights the diverse range of bodies and communities that engage with boxing practices but are oftentimes overlooked and overwritten by popular narrative tropes and misconceptions of the sport These interdisciplinary and global perspectives engage with boxing's shared narrative resources offering new readings and insights on how and what boxing performs and for whom The contributors to this collection are academics artists amateur boxers and or coaches who provide a culture critique of boxing The work shows how boxing practices are performed and channelled by individuals and communities who access and utilise boxing culture as a means of physical enquiry political statement and community building These contributions challenge the notion that boxing is a sport reserved for masculine bodies adorned as heroes warriors or victims of the sport Exploring key themes in socio cultural studies including gender race community media and performance this book is fascinating reading for anybody with an interest in physical culture sport studies cultural studies gender studies cultural geography critical race theory labour studies performance studies or media studies [Gender Diversity in European Sport Governance](#) Agnes Elling, Jorid

Hovden, Annelies Knoppers, 2018-08-06 Gender equality is one of the founding democratic principles of the EU However recent studies of the Federation of Olympic Sports in Europe have shown that women occupy only fourteen percent of decision making positions in sport organizations This book presents a comprehensive and comparative study of how various regions and countries of Europe have addressed this lack of gender diversity discussing which strategies have brought about change and to what extent these changes have been successful With contributions from leading sport sociologists covering countries such as Germany Hungary Norway Poland Spain Turkey and the UK it provides a foundation for future policymaking methodological analyses and theoretical developments that can result in sustainable gender equality in European sport governance *Gender Diversity in European Sport Governance* is important reading for scholars and students in the fields of sociology of sport sport management sociology gender studies and studies of organization management and leadership It is also a valuable resource for policy makers in the EU as well as national sport organizations and activists

Ethics and Governance in Sport Yves Vanden Auweele, Elaine Cook, Jim Parry, 2015-11-06 What is or what should be the function of sport in a globalized commercialized world Why does sport matter in the 21st century In *Ethics and Governance in Sport* the future of sport imagined an ensemble of leading international experts from across the fields of sport management and ethics calls for a new model of sport that goes beyond the traditional view that sport automatically encourages positive physical psychological social moral and political values Acknowledging that sport is beset by poor practice corruption and harmful behaviors it explores current issues in sport ethics governance and development considering

how good governance and the positive potentials of sport can be implemented in a globalized sporting landscape Ethics and Governance in Sport suggests a future model of sport governance based on well substantiated projections and argues that identifying the root causes of harmful behavior those things that are characteristic of sport and engaging sport managers policy makers and leaders of sport organizations is essential if sport is to thrive The book s interdisciplinary examination of sport encompassing philosophy sociology economics management and sport development and its forward looking approach makes it important reading for advanced students researchers and policy makers with an interest in the place and development of modern sport Its clear messages invite self reflection and discussion especially within sports organizations
