Buy Online Children Dictatorship Resistance Cultural Politics:

Children of the Dictatorship Kostis Kornetis, 2013-11-01 Putting Greece back on the cultural and political map of the Long 1960s this book traces the dissent and activism of anti regime students during the dictatorship of the Colonels 1967-74. It explores the cultural as well as ideological protest of Greek student activists illustrating how these children of the dictatorship managed to re appropriate indigenous folk tradition for their progressive purposes and how their transnational exchange molded a particular local protest culture. It examines how the students social and political practices became a major source of pressure on the Colonels regime finding its apogee in the three day Polytechnic uprising of November 1973 which laid the foundations for a total reshaping of Greek political culture in the following decades.

The Anthropology of Police Kevin Karpiak, William Garriott, 2018-04-17 What are the potential contributions of anthropology to the study of police? Even beyond the methodological particularities and geographic breadth of cultural anthropology there are a set of conceptual and analytical traditions that have much to bring to broader scholarship in police studies. Including original and international contributions from both senior and emerging scholars this pioneering book represents a foundational document for a burgeoning field of study: the anthropology of police. The chapters in this volume open up the question of police in new ways mining the disciplinary legacies of anthropology in order to discover new conceptual tools, methods and pedagogies reworking relationships between police, public and researcher in ways that open up new avenues for exploration at the same time as they articulate new demands and retracing a hauntology that through interactions with individuals and collectives constitutes a body politic through the figure of police. Illustrating the various ways that anthropology enables a reassessment of the police violence relationship with a broad consideration of the human stakes at the center this book will be of interest to criminologists, sociologists, anthropologists and the broad interdisciplinary field invested in the study of policing, order making and governance.

The Greek Junta and the International System Antonis Klapsis, Constantine Arvanitopoulos, Evanthia Hatzivassiliou, Effie G. H. Pedaliu, 2020-02-19 This book examines the international dimensions of the Greek military dictatorship of 1967 to 1974 and uses it as a case study to evaluate the major shifts occurring in the international system during a period of rapid change. The policies of the major nation states in both East and West were determined by realistic Cold War considerations. At the same time the Greek junta, a profoundly anti modernist force, failed to cope with an evolving international agenda and the movement towards international cooperation. Denouncing it became a rallying point both for international organizations and for human rights activists and it enabled the EEC to underscore the notion that democracy was an integral characteristic of the European identity. This volume is an original in depth study of an under researched subject and the multiple interactions of a complex era. It is divided into three sections. Part I deals with the interaction of the Colonels with state actors. Part II deals with the responses of international organizations and the rising transnational human rights agenda for which the Greek junta became a totemic rallying point and Part III compares and contrasts the transitions

to democracy in Southern Europe and analyses the different models of transition and region building and how they intersected with attempts to foster a European identity The Greek dictatorship may have been a parochial military regime but its rise and fall interacted with significant international trends and can therefore serve as a salient case study for promoting a better understanding of international and European trends during the 1960s and 1970s This book will be of much interest to students of Cold War studies international history foreign policy transatlantic relations and International Relations in general The Bloomsbury Handbook of Food and Material Cultures Irina D. Mihalache, Elizabeth Zanon, 2023-02-23

Cookbooks Menus Ingredients Dishes Pots Kitchens Markets Museum exhibitions These objects representations and environments are part of what the volume calls the material cultures of food The book features leading scholars professionals and chefs who apply a material cultural perspective to consider two relatively unexplored questions 1 What is the material culture of food and 2 How are frameworks concepts and methods of material culture used in scholarly research and professional practice This book acknowledges that materiality is historically and culturally specific local but also global as food both transcends and collapses geographical and ideological borders Contributors capture the malleability of food its material environments and stuff and its representations in media museums and marketing while following food through cycles of production circulation and consumption As many of the featured authors explore food and its many material and immaterial manifestations not only reflect social issues but also actively produce preserve and disrupt identities communities economic systems and everyday social practices The volume includes contributions from and interviews with a dynamic group of scholars museum and information professionals and chefs who represent diverse disciplines such as communication studies anthropology history American studies folklore and food studies **Balkan Legacies** John Paul Newman, Balázs

Apor, 2021-06-15 **Balkan Legacies** is a study of the aftermath of war and state socialism in the contemporary Balkans The authors look at the inescapable inheritances of the recent past and those that the present has to deal with The book's key theme is the interaction often subliminal of the experiences of war and socialism in contemporary society in the region Fifteen contributors approach this topic from a range of disciplinary backgrounds and through a variety of interpretive lenses collectively drawing a composite picture of the most enduring legacies of conflict and ideological transition in the region without neglecting national and local peculiarities The guiding questions addressed are what is the relationship between memories of war dictatorship communist or fascist and present day identity especially from the perspective of peripheral and minority groups and individuals How did these components interact with each other to produce the political and social culture of the Balkan Peninsula today The answers show the ways in which the experiences of the latter part of the twentieth century have defined and shaped the region in the twenty first century The Historical Roots of Political Violence Ignacio

Sánchez-Cuenca, 2019-06-06 Offers the first comprehensive analysis of the wave of revolutionary terrorism in affluent countries **1365 - 2015 - 2065** Marianne Klemun, Fritz Blakolmer, Hubert D. Szemethy, Martina Fuchs, 2015-02-27 Life at

Intelligence in Democratic Transitions Sofia Tzamarelou, 2024 Reforming the intelligence agencies is essential when a state transitions from authoritarianism to democracy But what kinds of reforms matter how do we know when there has been transformation and how and where do authoritarian legacies persist Sofia Tzamarelou conducts a comparative examination of three cases the democratic transitions of Portugal Greece and Spain during the 1970s She draws important conclusions about how to ensure thorough reform and what happens when intelligence democratization is incomplete She does this through the lens of five Security Sector Reform SSR indicators Lustration Control Oversight Collection Recruitment and Civil Society Although these three European countries started their transition around the same time they present significantly different results Legacies of the past and legacy personnel emerge as the main barriers to reform Other important findings are the relationship between consumers and producers of intelligence and the role of civil society The study is unique due to the source material used the countries studied and its comparative framework for the study of intelligence democratization

Imagining the World from Behind the Iron Curtain Malgorzata Fidelis, 2022 The Sixties occupy a prominent place in popular culture and scholarship as an era of global upheavals including the Civil Rights Movement de colonization radical social movements student and youth protests and the Vietnam War This pioneering book explores the seemingly isolated Eastern bloc and a non capitalist context demonstrating the impact of those global upheavals on young people in Poland in the form of international youth culture protest movements and counterculture

Cultures of Protest and Industrial Conflict in Italy since 1945 Ilaria Favretto, 2025-10-15 The history of the twentieth century in Italy is marked by industrial unrest And yet our knowledge of the cultures that informed those protests and equally important of the forms they took is still limited leaving important questions unanswered on their meanings functions mechanisms of transmission continuities and discontinuities with earlier waves of mobilization and global connections In this illuminating and thought provoking book Favretto explores the protest methods and the underpinning protest cultures of Italian industrial workers from the collapse of Fascism to the present day Challenging common portrayals of the labour movement as unimaginative and conventional in its tactics the book demonstrates the variety of forms of industrial protest encompassing actions such as sit ins protest camps and hunger strikes which are typically not associated with industrial conflict Transcending the boundaries of contemporary history the book also uncovers the persistence and reinvention of tactics commonly identified with the pre modern period such as time wasting sabotage and theft and it shows the influence of earlier cultures and carnivalesque practices of popular contention such as charivari known as rough music in Britain and scampanata and other names in Italy By analysing tactics and cultures distinct from the official union protest repertoire that studies of post 1945 Italy and the labour movement often presume obsolete the book provides a more profound understanding of workers protest practices and underlying cultures and a better comprehension of their breadth and scope It casts new light on the impact of internal migration on workers protest rituals

and practices working class women's participation in collective action Communists and Catholics distinctive protest cultures and moving to recent decades the effects of de industrialisation on industrial conflict and its forms The book fills an important gap in the study of the Italian labour movement and Italian history enriching our understanding of the mechanisms behind the transmission and innovation of protest cultures and tactics Its attention to the foreign experiences that shaped Italian labour industrial conflicts and analysis of tactics that have seen worldwide usage over extended periods also make it an essential contribution to a global history of protest

The Enigmatic Realm of **Buy Online Children Dictatorship Resistance Cultural Politics**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing short of extraordinary. Within the captivating pages of **Buy Online Children Dictatorship Resistance Cultural Politics** a literary masterpiece penned by way of a renowned author, readers attempt a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting effect on the hearts and minds of those who partake in its reading experience.

Buy Online Children Dictatorship Resistance Cultural Politics Introduction

In today's digital age, the availability of Buy Online Children Dictatorship Resistance Cultural Politics books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Buy Online Children Dictatorship Resistance Cultural Politics books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Buy Online Children Dictatorship Resistance Cultural Politics books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Buy Online Children Dictatorship Resistance Cultural Politics versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Buy Online Children Dictatorship Resistance Cultural Politics books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Buy Online Children Dictatorship Resistance Cultural Politics books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Buy Online Children Dictatorship Resistance

Cultural Politics books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Buy Online Children Dictatorship Resistance Cultural Politics books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Buy Online Children Dictatorship Resistance Cultural Politics books and manuals for download and embark on your journey of knowledge?

FAQs About Buy Online Children Dictatorship Resistance Cultural Politics Books

1. Where can I buy Buy Online Children Dictatorship Resistance Cultural Politics books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
