The Soul Also Keeps the Score Robert W. McChesney, SJ, 2025-05-15 Gain insights into the intersection of Ignatian spirituality and mental health in the healing of trauma Research suggests that up to 70% of adults will experience a traumatic event in their lifetime But where does this affliction reside The bestselling book *The Body Keeps the Score* introduced readers to the neurobiology of trauma demonstrating how terror and isolation inhabit and reshape both brain and body But what about trauma's effects on the soul In *The Soul Also Keeps the Score* Jesuit counselor and chaplain Father Robert McChesney argues that psychology must be complemented by insights from the discipline of spirituality In this pioneering work McChesney interprets the classic sixteenth century mystical text of the *Spiritual Exercises* as born in violence to the body and soul of their author the traumatized battle wounded turned saint Ignatius of Loyola Grounded in Ignatius's colorful narrative and influential pathway to God McChesney insists that the two languages of mental health and spirituality can speak in one voice Whether you are a spiritual pastoral or mental health professional member of the care circle or wounded seeker *The Soul Also Keeps the Score* unlocks a treasure trove of fresh insight and hope

Gangster Prayer Autumn Miles, 2019-07-16 Change your life and become an inspiring passionate praying warrior who proclaims God's Word with this refreshingly honest guide to strengthening your faith If you want positive results from prayer you first need to pray But so many people who say they believe in the power of prayer actually pray very little or not at all It's time to get serious about prayer Autumn Miles says that we must stop being prayer wimps and instead be transformed into prayer gangsters people who are passionate about their faith and loyalty to God Autumn believes that God wants to give us so much more than what we've been settling for It's time our prayer life which has been mediocre at best becomes something that is fervent intentional and highly expectant *Gangster Prayer* won't teach you how to pray Instead it will help reveal the heart behind a believing prayer and put the focus back on who we are praying to instead of on what we are praying for With a changed perspective and objective we can finally see the results from prayer we've been longing for not just answers but a changed life

Pursuit of the American Dream Jonathan A. Marcellus, 2011-11-02 This book is a story about my life which is based on the dreams of being great and successful as a young boy who afterwards came to the United States of America to pursue my dream Upon reaching the land of the United States of America the perspective of the dream was therefore changed to the American dream and I started following the American dream and halted from pursuing it for a few years to say the least While I was on a hiatus from pursuing the dream I felt that a major part of my life was missing because I did not fulfill the dream Henceforth I eventually restarted to follow the big American dream that I once had but this time with enormous hope and stronger faith I endured several predicaments and obstacles during my efforts to taste the American dream But with faith my belief in Americas exceptionalism perseverance hard work diligence efforts prayers and self determination I eventually succeeded even after I failed several times in those endeavors because of hope faith and the mind set that I have to make it regardless of what the obstacles could be I made it through although it is only the beginning of the attainment of my dream The theme of the story is to convince readers that faith perseverance efforts determination and dedication and passion were the key constituents to my success of attaining the American dream and it is therefore possible for anyone to achieve any dream as long as they are willing to use and apply faith hope diligence hard work efforts and perseverance

The Devil's Long Tail David Stevens, Kieron O'Hara, 2015-02-28 The internet may be a utopia for free expression but it also harbours nihilistic groups and individuals spreading bizarre creeds unhindered by the risk averse gatekeepers of the mass media and not all are as harmless as the Virtual Church of the Blind Chihuahua or Sexastrianism With few entry barriers ready anonymity and no centralised control the internet offers wired extremists unprecedented access to a potential global audience of billions Technology allows us to select the information we wish to receive so those of a fanatical bent can filter out moderating voices and ignore countervailing arguments retreating into a virtual world of their own design that reaffirms their views In *The Devil's Long Tail* Stevens and O'Hara argue that we misunderstand online extremism if we think intervention is the best way to counter it Policies designed to disrupt radical networks fail because they ignore the factors that push people to the margins Extremists are driven less by ideas than by the benefits of participating in a tightly knit self defined group Rather extreme ideas should be left to sink or swim in the internet's marketplace of ideas The internet and the web are valuable creations of a free society Censoring them impoverishes us all while leaving the radical impulse intact

DIVINE CREATIVITY: WORDS Power In Creation A Road Map To Unlimited Greatness EMMANUEL OKAFOR, 2025-10-04 Words are the most powerful force in the universe an understanding of how it works makes you unbeatable in the battles of life Through some research I discovered that the worlds were framed by the words of the Architect of the universe the Almighty God The first man Adam formed by God the Creator has diverse divine abilities inside him right from the day he was formed on the earth For this

reason the ability to speak and cause things to come into existence or to bring changes into situations via the spoken word is divinely inborn in every human being In the beginning of life on the earth everything that was created came as a result of the words spoken and things came to be through the declarations of God The earth was seen in a chaotic condition without form and an empty waste and darkness was upon the face of the very deep Meanwhile God through His word began to shape the earth to what it is today As a result of this man as God s representative on the earth has the capacity to create through the same manner This great uniqueness we have in God has been specified in the bible verse below I said you are gods since you judge on my behalf as my representatives indeed all of you are children of the Most High Psalms 82 6 AMP Consequently with this information in view the time to take full advantage of this truth is here with us To reframe our lives and our world to what it s originally made to be before the fall of the first man Adam In this book we shall be looking at some discoveries that have been made in history and in present times These facts will enable us have a good understanding on how to put to work the divine ability deposited in man King Solomon was the wisest and wealthiest man that ever lived beside Jesus Christ And to a large extent he unfolded the potential available in the tongue as stated below Life and death are the power of the tongue and those that love it shall eat the fruit thereof Proverbs 20 1 From what is described by the scripture above it may possibly interest you to know that some of the events in and around your life are relatively the outcome of words you or someone deliberately or unconsciously said in the time past Words make either positive or negative impacts in our lives whether we know it believe it or otherwise It has been said that ignorance is not an excuse As you read this book God will open both your spiritual and physical senses in order to know and value the mystery of words as in how it affects your life and destiny To know also how to use words to create results in any given situation or condition both in your life and the lives of people that you will certainly meet in your life time More importantly given to the dynamism of the human race the need for us to be knowledgeable on when and how to direct the words that come out of the mouth is most essential All the information and revelations in the pages of this book are printed to keep you safe and successful throughout your life journey Study believe and be obedient then you shall eat the good of the land Shalom EMMANUEL OKAFOR *Freedom from Family Dysfunction* Kenneth Perlmutter, 2019-11-04 The headlines ring with stories of opioid addiction and overdose Parents complain about their children s screen addiction law enforcement decries the flood of fentanyl scores of Americans overdose and die daily and teen alcohol poisoning and marijuana induced psychosis rates continue to rise Disabling depression and anxiety are diagnosed at alarming rates in families across the country Now more than ever families struggle to live with care for and protect their family members suffering with addiction or mental illness Kenneth Perlmutter a California psychologist with 30 plus years in the field has written *Freedom from Family Dysfunction* specifically for family members who love someone battling addiction or mental illness who want to break the cycles of codependency and relapse plaguing their dysfunctional systems The combination of compelling vignettes lively dialogues and step by step instructions makes this guidebook an

indispensable tool for the parents partners adult children and the clinicians who treat them to heal the powerlessness pain and impossibility of life with someone they've been trying to help sometimes for decades Perlmutter takes a systemic and inter generational view combining current knowledge with his deep personal experience of addiction and family dysfunction to guide readers toward understanding their systems their positions in them and the forces that keep things stuck Stress Induced Impaired Coping SIIC is the term he's coined to describe his ground breaking model of family system pathology and recovery He invites families to see themselves not as dysfunctional but as wounded as they work toward connection closeness and the restoration of systemic mental wellness and sustainability Best of all the method works regardless of whether the one identified as the problem makes changes or not Family members who take up Perlmutter's method will create closeness by pursuing connection over being right reject tough love learn to communicate authentically and to set boundaries confidently and fairly rebuild trust authenticity and equality in family relationships reduce chaos anxiety and distress in the mind and in the home shift the entire family system itself toward wellness
