**Summary of Traffic by Ben Smith: Genius, Rivalry, and Delusion in the Billion-Dollar Race to Go Viral** GP SUMMARY, 2023-05-04 DISCLAIMER This book does not in any capacity mean to replace the original book but to serve as a vast summary of the original book Summary of Traffic by Ben Smith Genius Rivalry and Delusion in the Billion Dollar Race to Go Viral IN THIS SUMMARIZED BOOK YOU WILL GET Chapter astute outline of the main contents Fast simple understanding of the content analysis Exceptionally summarized content that you may skip in the original book Ben Smith s Traffic is the story of two online media rivals Jonah Peretti of HuffPost and BuzzFeed and Nick Denton of Gawker Media whose pursuit of attention at scale helped release the dark forces that would overtake the internet and American society It explores one of the great ironies of our time the internet which was going to help the left remake the world in its image has become the motive force of right populism It is essential and enthralling reading to understand how we got here

*Antisocial Media* Siva Vaidhyanathan, 2018-05-15 A fully updated paperback edition that includes coverage of the key developments of the past two years including the political controversies that swirled around Facebook with increasing intensity in the Trump era If you wanted to build a machine that would distribute propaganda to millions of people distract them from important issues energize hatred and bigotry erode social trust undermine respectable journalism foster doubts about science and engage in massive surveillance all at once you would make something a lot like Facebook Of course none of that was part of the plan In this fully updated paperback edition of Antisocial Media including a new chapter on the increasing recognition of and reaction against Facebook s power in the last couple of years Siva Vaidhyanathan explains how Facebook devolved from an innocent social site hacked together by Harvard students into a force that while it may make personal life just a little more pleasurable makes democracy a lot more challenging It s an account of the hubris of good intentions a missionary spirit and an ideology that sees computer code as the universal solvent for all human problems And it s an indictment of how social media has fostered the deterioration of democratic culture around the world from facilitating Russian meddling in support of Trump s election to the exploitation of the platform by murderous authoritarians in Burma and the Philippines Both authoritative and trenchant Antisocial Media shows how Facebook s mission went so wrong

Digital Democracy, Analogue Politics Nanjala Nyabola, 2018-11-15 From the upheavals of recent national elections to the success of the MyDressMyChoice feminist movement digital platforms have already had a dramatic impact on political life in Kenya one of the most electronically advanced countries in Africa While the impact of the Digital Age on Western politics has been extensively debated there is still little appreciation of how it has been felt in developing countries such as Kenya where

Twitter Facebook WhatsApp and other online platforms are increasingly a part of everyday life Written by a respected Kenyan activist and researcher at the forefront of political online struggles this book presents a unique contribution to the debate on digital democracy For traditionally marginalised groups particularly women and people with disabilities digital spaces have allowed Kenyans to build new communities which transcend old ethnic and gender divisions But the picture is far from wholly positive Digital Democracy Analogue Politics explores the drastic efforts being made by elites to contain online activism as well as how fake news a failed digital vote counting system and the incumbent president s recruitment of Cambridge Analytica contributed to tensions around the 2017 elections Reframing digital democracy from the African perspective Nyabola s ground breaking work opens up new ways of understanding our current global online era Working with Trans Voice Matthew Mills,Sean Pert,2023-07-20 This book is an essential resource for those new to developing and established in the field of trans voice Presented in a workbook style and packed with practical exercises for the practitioner to engage with it explores and explains how to work with clients effectively while also developing vital cultural knowledge and fundamental skills in voice coaching that will help the practitioner develop insight into and support each person s unique journey Matthew Mills and Sean Pert draw on their wealth of experience to encourage the reader to consider what gender means to them and how gender performance may be taken for granted by people whose gender identity aligns with their sex assigned at birth The key learning points of this book are illustrated by guiding comments from trans and non binary people with lived practical and clinical experience Based on the latest expert practice and informed by the experiences of the clients themselves Working with Trans Voice allows speech and language therapists and other professionals interested in supporting trans and gender diverse people to develop the confidence to work with their clients in partnership and solidarity **Media Capture** Anya Schiffrin,2021-06-22 Who controls the media today There are many media systems across the globe that claim to be free yet whose independence has been eroded As demagogues rise independent voices have been squeezed out Corporate owned media companies that act in the service of power increasingly exercise soft censorship Tech giants such as Facebook and Google have dramatically changed how people access information with consequences that are only beginning to be felt This book features pathbreaking analysis from journalists and academics of the changing nature and peril of media capture how formerly independent institutions fall under the sway of governments plutocrats and corporations Contributors including Emily Bell Felix Salmon Joshua Marshall Joel Simon and Nikki Usher analyze diverse cases of media capture worldwide from the United Kingdom to Turkey to India and beyond many drawn from firsthand experience They examine the role played by new media companies and funders showing how the confluence of the growth of big tech and falling revenues for legacy media has led to new forms of control Contributions also shed light on how the rise of right wing populists has catalyzed the crisis of global media They also chart a way forward exploring the growing need for a policy response and sustainable models for public interest investigative journalism Providing valuable insight into today s urgent threats to media

independence Media Capture is essential reading for anyone concerned with defending press freedom in the digital age

**It Came from Something Awful** Dale Beran, 2025-06-25 How 4chan and 8chan fuel white nationalism inspire violence and infect politics The internet has transformed the ways we think and act and by consequence our politics The most impactful recent political movements on the far left and right started with massive online collectives of teenagers Strangely both movements began on the same website an anime imageboard called 4chan org It Came from Something Awful is the fascinating and bizarre story of sites like 4chan and 8chan and their profound effect on youth counterculture Dale Beran has observed the anonymous messageboard community's shifting activities and interests since the beginning Sites like 4chan and 8chan are microcosms of the internet itself simultaneously at the vanguard of contemporary culture politics comedy and language and a new low for all of the above They were the original meme machines mostly frequented by socially awkward and disenfranchised young men in search of a place to be alone together During the recession of the late 2000s the memes became political 4chan was the online hub of a leftist hacker collective known as Anonymous and a prominent supporter of the Occupy Wall Street movement But within a few short years the site's ideology spun on its axis it became the birthplace and breeding ground of the alt right In It Came from Something Awful Beran uses his insider's knowledge and natural storytelling ability to chronicle 4chan's strange journey from creating rage comics to inciting riots to according to some memeing Donald Trump into the White House
