Robert Butler

Analysing Political Speeches Rhetoric Discourse And Metaphor:

Analysing Political Speeches Jonathan Charteris-Black, 2018-08-24 Exploring speeches by public figures such as Emma Watson Tony Blair Donald Trump Julia Gillard and Lady Gaga this engaging textbook explains the ways in which political speeches can be analysed It examines the role of language in speeches and how it can be used to challenge or reinforce prevailing social cultural and political attitudes Each chapter introduces a particular discourse approach and then applies this in a model analysis of a passage of text The chosen texts concern issues of social cultural and political importance that address topics of significant importance to the audience to which they were delivered Students are encouraged to engage with the text and consider how approaches to text analysis such as cohesion context analysis and metaphor analysis may be adapted to provide a more critical perspective This text will be essential reading for students of English language linguistics communication studies and politics on critical discourse and discourse analysis modules *Analysing Political Speeches*

Jonathan Charteris-Black, 2013-10-01 Considers how traditional approaches such as cohesion and classical rhetoric may be integrated with critical approaches to discourse analysis such as critical metaphor analysis Presents a range of critical and discourse theories and considers the relationships between linguistic features of speeches and their social and cultural contexts

Political Discourse Analysis Robert Butler, 2024-03-05 Political Discourse Analysis addresses the challenges facing political actors at all levels of society and across a range of regimes It shows how discursive legitimisation strategies can vary on a continuum ranging from the stabilising effects of institutional discourse and the management of destabilising factors inherent in new types of media to the destabilising potential of rhetorical devices and deliberate de legitimisation strategies used to attack opponents The diverse approaches show how political actors strive to maintain control in the context of democratic deficit and crisis in developed societies while addressing growing global threats to stability in all regimes While many actors seek legitimisation through the institutional structure media or rhetoric others may seek to weaken any opposition to them through de legitimisation In this collection Butler provides the reader with replicable methods that can be adapted to political contexts **The Language of Inequality in the News** Michael Toolan, 2018-12-06

Explores how UK wealth inequality is discussed in newspapers with a particular focus on changes over the past forty five years [The Languages of Politics/La politique et ses langages Volume 1](#) Marta Degani, Paolo Frassi, Maria Ivana

Lorenzetti, 2016-12-14 The Languages of Politics La politique et ses langages provides a multifaceted view of major approaches to the study of political discourse from an interdisciplinary perspective To date most contributions to the analysis of political discourse have come from the fields of rhetoric critical discourse analysis cognitive linguistics pragmatics lexicology lexicography and more recently multimodal discourse analysis The papers in this volume build their investigations on these perspectives and provide new and diversified insights into this vast area of research Besides considering multiple approaches the book also adds to the current debate on the languages of politics by combining a range of theoretical and

methodological considerations and by featuring contributions in both English and French **Migration and Media** Lorella Viola, Andreas Musolff, 2019-03-07 The socio discursive landscape surrounding the migration debate is characterised by a growing sense of crisis in both personal and collective identities From this viewpoint discourses about immigration are also always attempts at reconstructing the threatened home identity of the respective host society It is such attempts at reasserting identity in crisis due to migration that are the focus of the volume Migration and Media Discourses about identities in crisis This four part book explores the representational strategies used to frame current migration debates as crises of identity collective and individual It features fourteen case studies of varying sets of data including print media texts TV broadcasts online forums politicians speeches legal and administrative texts and oral narratives drawn from discourses in a range of languages Croatian English French German Greek Italian Lithuanian Polish Russian Serbian Slovenian Spanish and Ukrainian and it employs different discourse analytical methods such as Argumentation and Metaphor Analysis Gendered Language Studies Corpus assisted Semantics and Pragmatics and Proximization Theory Such a diverse range of sources languages and approaches provides innovative methodological and theoretical analysis on migration and identity which will be of interest to scholars students and policy makers working in the fields of migration studies media studies identity studies and social and public policy As of January 2023 this e book is freely available thanks to the support of libraries working with Knowledge Unlatched [Odisea nº 18](#) Carmen García Navarro, 2018-07-20 Revista de Estudios Ingleses es un anuario dirigido y gestionado por miembros del Departamento de Filología Inglesa y Alemana de la Universidad de Almería con el propósito de ofrecer un foro de intercambio de producción científica en campos del conocimiento tan diversos como la lengua inglesa literatura en lengua inglesa didáctica del inglés traducción para fines específicos y otros igualmente vinculados a los estudios ingleses [The Concise Encyclopedia of Applied Linguistics](#) Carol A.
