Assessment Issues In Language Translation And Interpreting Language Testing And Evaluation:

Assessment Issues in Language Translation and Interpreting Dina Tsagari, 2013 The need for reliable and valid assessments of translator and interpreter T I skills has been widely acknowledged inside and outside these professions and the language testing community The focus of the volume is on assessment of T I leading to authorization accreditation registration and certification in different countries of the world Testing and Assessment of Interpreting Jing Chen, Chao Han, 2021-04-10 This book highlights reliable valid and practical testing and assessment of interpreting presenting important developments in China where testing and assessment have long been a major concern for interpreting educators and researchers but have remained largely under reported The book not only offers theoretical insights into potential issues and problems undermining interpreting assessment but also describes useful measurement models to address such concerns Showcasing the latest Chinese research to create rubrics referenced rating scales enhance formative assessment practice and explore semi automated assessment the book is a valuable resource for educators trainers and researchers enabling to gain a better understanding of interpreting testing and assessment as both a worthwhile endeavor and a promising research area Interpreting Studies at the Crossroads of Disciplines Simon Zupan, Aleksandra Nuč, 2017-07-07 Interdisciplinarity has been a defining feature of Interpreting Studies from its inception The present volume comprises a selection of papers by authors from five different European countries the papers explore the crossroads of various subdisciplines within Interpreting Studies and beyond The contributions show that while traditional approaches and combinations with other established disciplines such as sociology law or linguistics remain common advances in technology in particular rapid software development require that Interpreting Studies must also adapt to and accept a new social reality Using examples from a range of institutional settings the authors demonstrate what the effect of these changes has been and will be on the theory teaching and practice of interpreting **Conference Interpreting in China** Riccardo Moratto, Irene A. Zhang, 2023-06-20 In this landmark project Moratto and Zhang evaluate how conference interpreting developed as a profession in China and the directions in which it is heading Bringing together perspectives from leading researchers in the field Moratto and Zhang present a thematically organized analysis of the trajectory of professional conference interpreting in China This includes discussion of the pedagogies used both currently and historically the professionalization of interpreter education and future prospects for virtual reality multimodal conferences and artificial intelligence Taken as a whole the contributors present a rich and detailed picture of the development of conference interpreting in China since 1979 its status today and how it is likely to develop in the coming decades An essential resource for scholars and students of conference interpreting in China alongside its sister volume **The Pioneers of Chinese Interpreting** **Insiders Accounts on the Rise of a Profession** **Translation and interpreting as communication: Issues and perspectives** Binhua Wang, Chonglong Gu, 2023-05-12 **Translator and Interpreter Education Research** Muhammad M. M. Abdel Latif, 2020-10-02 This book

provides a detailed introduction and guide to researching translator and interpreter education Providing an overview of the main research topics trends and methods the book covers the following six areas training effectiveness learning and teaching practices assessment translation and interpreting processes translated and interpreted texts and professionals experiences and roles The book focuses on explaining the issues and topics researched in each area and showing how they have been researched As the first book to provide a comprehensive overview of translator and interpreter education research it has important implications to developing its areas at the theoretical and practical levels In addition it offers an invaluable guide for those interested in researching translator and interpreter education areas and in educating translators and interpreters

The Routledge Handbook of Conference Interpreting Michaela Albl-Mikasa, Elisabet Tiselius, 2021-11-29 Providing comprehensive coverage of both current research and practice in conference interpreting The Routledge Handbook of Conference Interpreting covers core areas and cutting edge developments which have sprung up due to the spread of modern technologies and global English Consisting of 40 chapters divided into seven parts Fundamentals Settings Regions Professional issues Training and education Research perspectives and Recent developments the Handbook focuses on the key areas of conference interpreting This volume is unique in its approach to the field of conference interpreting as it covers not only research and teaching practice but also practical issues of the profession on all continents Bringing together over 70 researchers in the field from all over the world and with an introduction by the editors this is essential reading for all researchers trainers students and professionals of conference interpreting

Frontiers in Language Assessment and Testing Vahid Aryadoust, Thomas Eckes, Yo In'nami, 2020-12-30 This eBook is a collection of articles from a Frontiers Research Topic Frontiers Research Topics are very popular trademarks of the Frontiers Journals Series they are collections of at least ten articles all centered on a particular subject With their unique mix of varied contributions from Original Research to Review Articles Frontiers Research Topics unify the most influential researchers the latest key findings and historical advances in a hot research area Find out more on how to host your own Frontiers Research Topic or contribute to one as an author by contacting the Frontiers Editorial Office frontiersin.org/about/contact

Handbook of Translation Studies Yves Gambier, Luc van Doorslaer, 2012 As a meaningful manifestation of how institutionalized the discipline has become the new Handbook of Translation Studies is most welcome It joins the other signs of maturation such as Summer Schools the development of academic curricula historical surveys journals book series textbooks terminologies bibliographies and encyclopedias The HTS aims at disseminating knowledge about translation and interpreting and providing easy access to a large range of topics traditions and methods to a relatively broad audience not only students who often adamantly prefer such user friendliness researchers and lecturers in Translation Studies Translation but also scholars and experts from other disciplines among which linguistics sociology history psychology In addition the HTS addresses any of those with a professional or personal interest in the problems of translation interpreting localization editing etc such as communication

specialists journalists literary critics editors public servants business managers intercultural organization specialists media specialists marketing professionals Moreover The HTS offers added value First of all it is the first Handbook with this scope in Translation Studies that has both a print edition and an online version The advantages of an online version are obvious it is more flexible and accessible and in addition the entries can be regularly revised and updated The Handbook is variously searchable by article by author by subject A second benefit is the interconnection with the selection and organization principles of the online Translation Studies Bibliography TSB The taxonomy of the TSB has been partly applied to the selection of entries for the HTS Moreover many items in the reference lists are hyperlinked to the TSB where the user can find an abstract of a publication All articles between 500 and 6 000 words are written by specialists in the different subfields and are peer reviewed Last but not least the usability accessibility and flexibility of the HTS depend on the commitment of people who agree that Translation Studies does matter All users are therefore invited to share their feedback Any questions remarks and suggestions for improvement can be sent to the editorial team at hts@lessius.eu

Dictionary of Education and Assessment in Translation and Interpreting Studies (TIS) Vorya Dastyar, 2018-11-23 This book is the first and only dictionary on education and assessment in the context of translator and interpreter training It offers the reader in depth and up to date knowledge regarding key issues of the education and assessment of translators and interpreters including how best to train translators and interpreters and how best to assess their performance in pedagogical settings It contains key terms defined and discussed with a broad focus and arranged alphabetically It will serve as a valuable resource for academic researchers educators and assessors in translation and interpreting studies as well as practitioners and students of translation and interpreting studies
