Slethaug,2012-02-01 Beautiful Chaos is the first book to examine contemporary American fiction through the lens of chaos theory The book focuses on recent works of fiction by John Barth Michael Crichton Don DeLillo Michael Dorris Cormac McCarthy Toni Morrison Thomas Pynchon Carol Shields and Robert Stone all of whom incorporate aspects of chaos theory in one or more of their novels They accomplish this

through their disruption of conventional linear narrative forms and their use of strategic tropes of chaos and order but also and more significantly for an understanding of the interaction of science and fiction through their self conscious embrace of the current rhetoric of chaos theory Since the publication of James Gleick s Chaos Making a New Science in 1987 chaos theory has been taken up by a wide variety of literary critics and other scholars of the arts While considering the relationship between chaos theory and recent American fiction Beautiful Chaos details basic assumptions about orderly and dynamic systems and the various manifestations of chaos theory in literature including mimesis metaphor model and metachaotics It also explains particular features of orderly and dynamic systems including entropy bifurcation and turbulence noise and information scaling and fractals iteration and strange attractors Broken Kayt Peck,2020-09-12 Even the sturdiest of people have their limits For Captain Melinda Morris USN that limit came in the form of a bomb that violated the peace of a Baghdad caf Her career ended her body damaged her marriage finished her home lost a strong woman learned what it meant to be broken She remembered her father s words from over two decades before If you ever need us the ranch is here Come home She did She left the sea that had been her life to return to her first love the land and horses Her father was long dead but the ranch was there as well as the memory of his reminder that a Morris never gives up Those words held her fast as she dealt with the nightmares that never quite ended leaving her with the mystery of an unfilled promise to a dying mother whose name she never knew The ranch the horses the love of family and a promise to her brother Hoyt gave her an anchor to hang onto When Addie Romero returned home to the neighboring ranch she brought home a history of success and her own nightmares from a story she could tell no one at least not until she saw Mel again Former three time World Champion Cowgirl an accomplishment that was her springboard into a successful career in the world of horses movies and the California high life Addie was ready to return perhaps to heal an old and deep wound that never lost its grip on her heart and mind Together Addie and Mel would seek the gold to mend the broken to create something even more beautiful than before
