mankind s entire history *Ancient Ghost Book No. 2* Cowboy Bart Jeppesen,2013-05-17 Testimonials from those that have
had the benefit of working with Cowboy Bart Jeppesen In 2006 I enjoyed an exciting weekend with Bart He showed me rocks
made into symbols and symbols chipped into rocks Siglas the Spaniards called them They convey a universal language and
speak of mysterious mines and hidden treasures For those in the know like Bart they talk of the riches of the north slopes of
the Uintah Mountains While on his road of discovery Bart has uncovered and interpreted a vast number of symbols I look
forward with anticipation to his insights and understanding of these symbols From a fellow author Dale Bascom Following
the Legends Website Slimsgold com Amazon com <http://amzn.to/RmXkJr> I first met Bart on a Treasure Hunters Forum I
observed his excellent comments on other questions and decided to contact him with some of my questions I was a neophyte
treasure hunter in search of several treasures in the Caballo mountains of New Mexico I had found quite a few treasure
symbols but I had no idea what they meant I sent photos of these monuments and photos of the surrounding area to Bart He
sent them back to me all marked up He could see things the Spanish had done in the landscape around the monuments It was
then that I realized that Bart had a very unique talent He had researched thousands of symbols This became helpful in
deciphering maps of area The problem was that most of the symbols had been lost to time The trails were all broken But
Cowboy Bart could still follow them Mark Palmer South Western USA Cowboy Bart and I first connected back in 2009 when
he contacted Sacred Science Institute regarding a diagram on our website from our recent translation of St Yves de D

Alveydre's Archeometer diagram can be found at this link www.Sacredscience.com/archive/ArcheometerDiagrams.htm He mentioned that he used esoteric symbols as schematics to hunt for hidden treasure concealed within a framework of symbolic codes I had never heard of anyone doing this before and thought it a fascinating subject and application of esoteric knowledge I was unaware that many old hidden treasures buried by Templars or hidden by past societies were marked with such codes which could be traced by those initiated into the secret tradition I encouraged Cowboy Bart to write a book about this fascinating subject and still look forward to him doing so W Bradstreet Stewart Director Sacred Science Institute www.sacredscience.com

Vimana David Hatcher Childress, 2013-12-18 According to early Sanskrit texts the ancients had several types of airships called vimanas Like aircraft of today vimanas were used to fly through the air from city to city to conduct aerial surveys of uncharted lands and as delivery vehicles for awesome weapons David Hatcher Childress popular Lost Cities author and star of the History Channel's long running show Ancient Aliens takes us on an astounding investigation into tales of ancient flying machines In his new book packed with photos and diagrams he consults ancient texts and modern stories and presents astonishing evidence that aircraft similar to the ones we use today were used thousands of years ago in India Sumeria China and other countries This means that these ancient civilizations had advanced metal technology electricity and the engineering knowledge of flight many thousands of years before our own era of flight technology Childress discusses ancient UFO sightings the fascinating lore of ancient flight and the technology allegedly used in the flying machines of the ancients
