### **Rethinking the Relationship between China and the West through a Focus on Literature and Aesthetics**

Qingben Li, 2018-10-01 The multi dimensional model of cross cultural research was put forward as an alternative to the model of Sino western dualism which sees China and the West as two entirely different entities In order to break with this dualistic model the spatial dimension should be separated from the temporal dimension allowing the words China and the West to recover their original meaning of spatial dimensions This in turn reconceptualises the equal relationship between China and the West and seeks the possibilities and pathways of cross cultural understanding and dialogue in a global context This book is composed of two parts the spatial dimension of cross cultural research and the temporal dimension of cross cultural research The first discusses globalization and China s cultural identity cross cultural literary research between China and the West a circular model of cross cultural research focusing on literary adaptations integrating Chinese literature into world literature appreciating Chinese poetry from a cross cultural perspective and the three models of nature appreciation In part two the book explores the Book of Changes from the perspective of modern aesthetics original Confucianism literary theory and aesthetics the Han dynasty s Confucianism literary theory and aesthetics New Confucianism literary theory and aesthetic Beijing city s culture and China s short film and socialistic cultural productions

**Transatlantic Charismatic Renewal, c.1950-2000**, 2021-07-05 In Transatlantic Charismatic Renewal c 1950 2000 Andrew Atherstone Mark Hutchinson and John Maiden bring together leading researchers to examine one of the globally most important religious movements of the twentieth century Various referred to as the charismatic renewal or revival it was a key Christian response to globalization modernity and secularization Unlike other accounts which focus

either on denominational pentecostalism or charismatic phenomena outside the West this volume describes transatlantic Christianity drawing deeply on its pneumatic roots to bring about renewal New research in archives and overlooked journals illuminate key figures from David du Plessis to John Wimber providing insights which challenge the standard interpretations of the charismatic movement s origins and influence      **Spirit Hermeneutics** Keener,2016 How do we hear the Spirit s voice in Scripture Once we have done responsible exegesis how may we expect the Spirit to apply the text to our lives and communities In Spirit Hermeneutics biblical scholar Craig Keener addresses these questions carefully articulating how the experience of the Spirit that empowered the church on the day of Pentecost can and should dynamically shape our reading of Scripture today Keener considers what Spirit guided interpretation means explores implications of an epistemology of Word and Spirit for biblical hermeneutics and shows how Scripture itself models an experiential appropriation of its message Bridging the Word Spirit gap between academic and experiential Christian approaches Spirit Hermeneutics narrates a way of reading the Bible that is faithful both to the Spirit inspired biblical text and the experience of the Spirit among believers from book flap      Fruits of Grace Minke de Vries,2018-01-01 Before Taiz there was Grandchamp The lesser known Protestant women s community initiated in 1936 grew out of generations of women s groups in French speaking Switzerland It was heavily influenced by Wilfred Monod the Student Christian Movement Swiss Reformed efforts at liturgical renewal and Bonhoeffer s Life Together It was so deeply affected by the angst generated by World War II and the search by European Christians for new ways to be Christian The Fruits of Grace authored by the third prioress of the Community of Grandchamp in Switzerland reflects on the origins of the community the sources and development of its spirituality and on its ministries Foci include the involvement of the community in the ecumenical movement and in mission around the world There is also important new information about its interaction with Taiz Roman Catholic religious communities and the women themselves as individuals and as a community Sister Minke de Vries provides an intimate view into the inner workings of a women s community and the structures of the spiritual practices of the Community of Grandchamp It is a powerful analysis of a European Protestant women s monastic community      *Transcendence at the Table* Julia Hurlow,2020-10-29 When is the last time you sat down for a meal to break bread with other people and experienced peace Throughout the arc of the scriptural narrative the word shalom is used as a way to speak of the way of peace This word shalom embodies the depiction of creation where all things would glorify to the Triune God as well as bear the image of the Triune God who seamlessly embraces love and belonging What if the universal space at a table is where shalom is experienced relationally What if the longing people have for love and belonging can be extended through hospitality at a table Unification can happen when invitations are extended to come participate and communicate at the table as a reflection of the Imago Dei      Generous Divine Love Prof. Kenneth J. Collins,2025-09-23 Discover the heart of Wesleyan theology Explore the heart of Wesleyan theology through an engaging and accessible narrative that speaks to both heart and mind This book shares John Wesley s teachings where the

themes of inclusion love and unity take center stage The generous even lavish nature of John Wesley s practical theology reveals the freedom and outgoing love of the divine Being who calls forth people to overcome the divisions and tribalism of group life This gracious call reveals the very universality of the gospel and has the cumulative effect of praise arising of a doxological celebration of a God of holy love who is the fount of it all In *Generous Divine Love* you ll find it approachable yet deeply enriching offering just the right balance of depth and clarity *The Genevan Reveil in International Perspective* Jean D. Decorvet,Tim Grass,Kenneth J. Stewart,2023-09-01 The nineteenth century international religious movement known as the R veil had a major impact on Protestantism and particularly on Evangelicalism That impact is still evident today Yet as a multi faceted phenomenon this movement has not received its due share of scholarly attention This book offers a collection of essays exploring the international dimensions of the Genevan strand of the R veil providing an overview of events and trends outlining the careers of some of its key figures and highlighting some of the areas in which it made a contribution to contemporary society As the first such collection to focus on this movement it brings together scholars from several countries with expertise in its various aspects **The Supper** Ronald P. Hesselgrave,2019-09-17 The Lord s Supper or Eucharist has often been a subject of intense debate in the church What is often lost in this debate is the significance of the relationship of the Eucharist to Jesus Last Supper with his disciples which was a Passover or Passover like meal Moreover the Last Supper connects back to various meals in Jesus earthly ministry And it looks forward to the great messianic banquet as fulfillment of Jewish expectations In exploring these connections this book focuses on the three motifs of new creation hospitality and hope in Christ Most significantly when we break the bread and drink the wine or juice together we are asserting the reality of the new creation in Christ affirming God s grace forgiveness and cruciform love which is to be embodied in the Christian community and anticipating the day when God s present and ongoing work of restoration justice and reconciliation will ultimately prevail The Supper then is basically a condensed summary of the story of God s plan of redemption Hesselgrave brings together biblical theological ethical and social insights in a way that deepens our understanding of the meaning and practical significance of biblical texts related to this central ordinance of the church **Reading the Bible Around the World** Federico Alfredo Roth,Justin Marc Smith,Kirsten Sonkyo Oh,Alice Yafeh-Deigh,Kay Higuera Smith,2022-09-27 Who we are shapes how we read Guided by an expert team of crosscultural scholars readers will gain a deeper understanding of the influence of their own social location building up self awareness other awareness and true dialogue in the process Grow in your biblical wisdom as you read Scripture alongside the global Christian community
