Babysitting For Benjamin:

Babysitting for Benjamin Valiska Gregory, Lynn Munsinger, 1993 An elderly couple's well ordered house is turned upside down when they agree to babysit a messy toddler **Mummy... I want to be a baby again! Vol 3** Ben Pathen, Michael Bent, 2020-01-16 It is arguably the most common theme in ABDL fiction becoming a baby again perhaps forever and perhaps completely so For many Adult Babies the idea of being able to give into our wishes and desires completely and without restriction is a wonderful concept and one that grabs out attention For the vast majority of adult babies the expression of our inner infant is complicated by endless compromises and limits on what we can actually do Our partners limit us Our finances limit us Social acceptance and the lack thereof limits us Friends employment family and other issues limit us But fiction can overcome all of these In fiction we can bend the rules of probability break the bounds of social norms and erase the limits that otherwise keep us from expressing our inner infancy the way we wish In these three books you will read of adults that become complete babies once more If they are not originally completely willing to become babies again they quickly discover the joys the peace and comfort of diapers baby clothes bottle feeds and baby toys Infancy is entrancing to almost everyone but for those special people adult babies infancy is only a diaper change away and stories of grownups reverting to babyhood is less fiction than an innate desire that we express on the pages of a book Enjoy your stay in the world of refreshing infancy The Three Novels are Discharged into Infancy The Washing Line A Mother's Love The Washing Line - Extended Version (Rubber Pants Edition) Ben Pathen, 2024-06-23 Young Benjamin often rode past the house and saw nappies and rubber baby pants hung up on the clothesline out back They called to him and he dreamed about them Finally he had to touch them and then to take some He was a teenager now and surely should know better but the deep desires of his heart and loins called to the rubber pants and so he stole one But he was caught Now he had to spill the deep secret of his heart He wanted to be a baby again How would Miss Goodwin his former teacher react to that embarrassing admission It was not his first time not by far We read about how Benjamin started off with his fetish for rubber pants and nappies and the characters that helped him We also meet some new characters and we see if the Washing Line still has a place to entice and entrap young boys and men who crave the tightness of nappies and the slippery feel of rubber pants We hear of David and James We learn of baby Millie and Benjamin's Aunt and the roles they played in his upbringing And we see the possibilities of the future as baby Jerry enters the back garden of Sally Goodwin and a new generation of babies is about to arrive *Who Wants To Be A Baby... Again? (vol 3)* Ben Pathen, 2020-09-11 For the vast majority of adult babies the expression of our inner infant is complicated by endless compromises and limits on what we can actually do Our partners limit us Our finances limit us Social acceptance and the lack thereof limits us Friends employment family and other issues limit us But fiction can overcome all of these In fiction we can bend the rules of probability break the bounds of social norms and erase the limits that otherwise keep us from expressing our inner infancy the way we wish In these three books you will
