The Fine Line Between Love and Hate Ashley Erin, News flash My uptight landlord is infuriating I hate him almost as much as those perfectly pressed dress shirts he wears and the fact I want to rip them off Not reading the lease agreement before signing was an oversight but now I ve got it memorized And I m going to use it to my advantage while staying within the bounds of my contract Barely Charlie can t stand all my decorative little touches so what if the gnomes are a little vulgar But declaring war with him is better than the alternative ending up in bed with him Note to self Never let my mother choose a tenant for my house Evie might be a librarian but she s anything but quiet In fact she s the complete opposite My outspoken new tenant seems to get off on pushing me out of my comfort zone finding ALL my buttons And I d be crazy to think that these sparks flying between us won t fizzle out We re nothing alike We re all wrong for each other So why can t I keep my hands to myself Opposites definitely attract in this hilarious enemies to lovers romantic comedy

The Psychology of Love and Hate in Intimate Relationships Katherine Aumer, 2016-06-23 Social psychology has made great advancements in understanding how our romantic relationships function and to some extent dissolve However the social and behavioral sciences in much of western scholarship often focus exclusively on the more positive aspects of intimate relationships and less so on more controversial or unconventional aspects The goal of this volume is to explore and illuminate some of these underrepresented aspects aspects such as non monogamy female orgasm sadism and hate that often function alongside love in intimate relationships Ultimately by looking at intimate relationships in this way the volume contributes to and advocates for a more holistic and comprehensive view of intimate relationships Throughout the volume contributors from social clinical and evolutionary psychology cover love and hate from a variety of sometimes opposing perspectives The first section covers love and the changing landscape of intimate relationships Its chapters review the current literature and research of understudied topics like non monogamy female orgasm sexual fantasies and the viewpoint of love as something other than positive The second section explores hate and how hate can operate in intimate relationships for example the appearance of sadistic behavior and debates the nature of hate as either a motivation or emotion The volume concludes by looking at ways in which the appearance of hate in relationships can be dealt with and overcome successfully Taken together these two sections reflect the full variety of experiences within intimate relationships With the aim of exploring how love and hate can and frequently do work together *The Psychology of Love and Hate in Intimate Relationships* is a fascinating psychological exploration of intimate relationships in modern times It is an invaluable resource to academics and students specializing in psychology gender and sociology including clinicians and
