Palmater, 2011-05-13 The current Status criteria of the Indian Act contains descent based rules akin to blood quantum that are particularly discriminatory against women and their descendants which author Pamela Palmater argues will lead to the extinguishment of First Nations as legal and constitutional entities Beginning with an historic overview of legislative enactments defining Indian status and their impact on First Nations the author examines contemporary court rulings dealing with Indigenous identity Aboriginal rights and the Canadian Charter of Rights and Freedoms Palmater also examines band membership codes to determine if their reliance on status criteria perpetuates discrimination She offers changes for determining Indigenous identity and citizenship and argues that First Nations must determine citizenship themselves **Beyond Blood** Duncan Kimani Kamau, Justin T. Miller, Cornel Onyango Nyaywera, 2019-10-22 The true life story of how three men helped save the lives and families of thousands living with HIV AIDS in East Africa Written by three co founders of CARE for AIDS a nonprofit providing support for men and women living with HIV AIDS in East Africa Beyond Blood is the true life account of how three men from drastically different backgrounds came together to form a grassroots nonprofit that has empowered thousands of HIV positive people in East Africa to live lives beyond AIDS This is the story of how Justin T Miller an American Vanderbilt undergraduate student met Duncan Kimani Kamau and Cornel Onyango Nyaywera two men who had grown up witnessing firsthand the devastating effects of HIV AIDS

in their own communities in Kenya Though Kamau and Nyaywera grew up in opposite ends of the country and came from opposing tribes they overcame prejudice and cultural expectations to bring healing to their communities With Miller s help their dream of empowering people to live a life beyond AIDS became a reality Once Kamau Miller and Nyaywera realized their common purpose CARE for AIDS was born But it was only the beginning of their fight against AIDS as they quickly discovered the fear and stigma that blanketed the disease If their fledgling nonprofit was going to empower anyone they would need help and they found it one local church at a time As they slowly but steadily grew their network of friends and allies Kamau Miller and Nyaywera discovered that the most complex problems can be solved through intentional redemptive relationships

Beyond Blood J. Morgan,2023-06-29 John Hunter and Tom Byner are two young men from the Saline District of the Cherokee Nation during the fateful period between the United States Civil War and Oklahoma statehood Theirs is a land and a people caught between the courts of Hanging Judge Parker and local tribal authority In a time and place where most still carried a gun events were occurring almost daily that were to bring about change to their people Intent on survival nonetheless the blood that flows in their veins propels them down a path where they find themselves struggling to maintain the convictions and beliefs that had been passed down to them since the Trail of Tears It is their anonymity that provides the illusion of sanctuary but even this is shattered with the arrival of Katie Dickinson an attractive young girl caught up in the designs of those who see the opportunities to be had at the expense of the Cherokee people It is through her friendship with Mary Baldridge that she connects with the young men and finds in these three friends her only hope for escape But Katie s presence places the young men on a path that directly collides with the powers that be unscrupulous powers that see the friends as impediments to plans for control and reward As events unfold each must search within themselves and come face to face with their own core beliefs and choose whether to strengthen or weaken in the face of adversity They are aided by the oversight of their enemies that simply do not recognize the abilities of John Hunter As they are forced to maneuver the changing world of their people each step must be placed with care on a path where the gate is strait and the way increasingly narrow 1
